Louise Rasmussen selected 1974 Citizen of the Year

A nominee of the St. Albert Chapter, Alberta Registered Nurses, Mrs. Louise Rasmussen was the choice of a panel of independent judges, acting for The St. Albert and District Chamber of Commerce, as Citizen of

the Year for 1974.

Chamber Citizen Award Chairman, Doreen Grice, called upon Mayor Gibbon to present the citation at the award banquet held Friday evening at the Club Mocombo, 1973 Citizen of the Year.

Mr. Ed Savole, presented the large annual trophy and keeper trophy.

Born in Holland, Mrs. Rasmussen took her schooling and nurses training there, followed by a year in England and a year in Den-

mark before coming to Edmonton in 1955, where she worked at the Royal Alexandra Hospital. She married Yen Rasmussen in 1956 and they moved to St. Albert in 1961. The couple have four children, ranging in age from 10 to 16 years.

The A.A.R.N. citation reads in part:

We feel that our nominee is not only deserving of herself, but is also symbolic of the contribution made to the community by many others who have contributed along with her, in her varied sphere of endeavors. She is also a wonderful example of the wholehearted dedication to her chosen country exhibited by countless other immigrants during the past war era.

Louise Johana Rasmussen came to St. Albert with her husband in 1961, and has lived in Gretna Place, raising her family of four children, and devoting her time to teaching and encouraging her youngsters, their many friends and countless acquaintances the act of good

Mrs. Louise Rasmussen graciously accepts the Citizen of the Year trophy from last year's first citizen, Mr. Ed Savole, who offers his warm congratulations, as did all present at the Chamber of Commerce banquet and dance November 30, who gave Louise an enthusiastic ovation.

Council Approves Contracts For Sewer Outfall Project

Council held a special meeting one half hour in advance of regular committee meeting Monday night to consider tenders for the outfall sewer line when Mr. M. Prosko and two other members of Stanley Associates Engineering attended. The regular meeting also provided one hour for consideration of the St. Albert Water System study with Consulting Engineer Prosko.

Contractor bids on the sewer project had been reviewed by Stanley Associates representatives, and questions of councillors were answered by them.

deVries Bros. Ltd. and Wyley Hauling were awarded the outfall contracted on

their bid of \$1,794,242.05. Terrain Construction Ltd. were awarded the contractor for the interceptor at \$798,801.36 and Whissell Enterprises Ltd. will construct the fourth main at a cost of \$241,439.

All motion awarding the contracts carried 6-0. (Coun. de Bruijn was absent).

Bids for the required pumping stations were then considered and a motion to award the contract to Har-sim Construction for \$413,431, as outlined in his submission, was also carried 6-0.

The sewer project is scheduled for completion in the fall of 1974.

McKenney is open but some problems remain

Council had some concerns in connection with the recent opening of McKenney Avenue which were brought up at the Nov. 26 meeting.

Coun. Lukay asked about lighting and Engineer Maandage said the lights would be installed soon, but that Calgary Power had some material shortages. "The situation is dangerous at the highway entrance," said Lukay, and was informed by the engineer that there is presently no power at that point.

Mayor Gibbon suggested a directional sign and Coun. Lukay a barricade.

A letter from the Manager of Operations for B.A.C.M., dated Nov. 13, was circulated, advising that the McKenney extension from Dawson Road east to the highway had been completed except for about 250 feet of asphalt surfacing east of Dawson Road. Council had put pressure on the developers to complete the avenue in the 1973 construction season.

Technically the road is

considered under construction until paving and street lighting are completed. So B.A.C.M. would open it only at council's request. Thus the B.A.C.M. memo pointed out that once opened, snow removal, plus any damages from snow removal or ordinary traffic would be the responsibility of the town.

Since the developer is required to provide and main-

tain access to the subdivision after any houses are occupied, for garbage removal, police and fire protection, the engineer did not feel any special conditions needed to be established now and the town would handle snow removal until such time as the town accepts local improvements, under the terms of the agreement. Lions Will Allow Seniors Centre In Park

Plans by the St. Albert Women's Institute to develop a Senior Citizens Recreation Centre moved a step closer to fruition Monday night, as the St. Albert Lions Club agreed to allow placement of the former Teen Centre building in Lions Park.

The Lions voted the approval after hearing a presentation by Mayor Ray Gibbon and WI member Lorraine Moore at the regular Lions meeting Monday night.

In effect, the approval paves the way for a WI submission to the RCMP Centennial Celebrations Committee that will bid for government grants to establish a centre for the town's senior citizens.

The three groups involved -- Lions, WI and the Town -- will now meet to iron out details of the arrangement to accommodate the placement of the building

Kathleen Oddleifson, president of the Youville Auxiliary, presents a cheque for \$2,000 to Sister Michaud, Superior and Administrator of the Youville Home, while auxiliary members Marie Wolniewicz, left, Florentine Hartmetz and Sister Bonnin, right, look on. The money was realized from the one and only fund-raising activity of the Auxiliary, the annual fall tea and bazaar. It will go towards the purchase of a much-needed piece of equipment, used in the bathing of handicapped patients.

Princess Lanore lies ill and the palace is in gloom, in a scene from Act 3 of Many Moons presented Friday evening and Saturday afternoon by the Paul Kane Drama Club for over 200 children and some 60 adults who attended. The Goldsmith's daughter, left, (Dawn Wing), the King (Steve Otto) and Jester Cindy Oakes at right all fear for their princess (Rose Shaw). The young drama enthusiasts, with clear enunciation and good voice projection presented an entertaining play which held the interest of their young audience very well. There was a lot of after-school effort put into the production by both the cast and the students who handled backstage chores, costumes, lights, sets, make-up, props, music etcetera, and Director Dave Geddes can be proud of his students performance. St. Albert will look forward to future productions by this group of imaginative young people.

St. Albert Community Hall was a hive of activity for a few hours Saturday as the Brownies, Guides and leaders sold bazaar items and home baking and looked after serving tea, in what proved a rewarding project which added to the training of the girls and helped boost funds for future projects.

Louise is a tireless organizer, who is warm and friendly, and prefers to get things done - not later - but right now, tending to outpace others by her amazing energies and innovations.

She believes in doing and doing it well - one of the best examples of this is the 'Babysitting Course' - which as a founding member of the AARN Chapter, she became involved in - by volunteering her services when it was first proposed (six years ago) as a chapter project. She has continued to run this course ever since - bi-annually, without fail. At times almost single handedly, never failing the many youngsters who have learned so much from it over the years.

This project alone has had an enormous impact on the community, not just from the youngsters who learned from her, but all the other youngsters that these cared

for.

Louise is also greatly involved in the Girl Guide - Boy Scout movement. She is, and has been a Brown Owl for the 4th St. Albert Pack and has given First Aid classes to Cubs. In past years she was also on Division Council. She also gave a hand in the fund raising projects to send Rangers to a Wyoming meet.

How does she do it? We don't know, but she manages despite a back ailment which required spinal surgery two years ago, and still necessitates the wearing of a brace occasionally. For many this would have curtailed their activities, but not Louise - she carries on, with even more vigour - putting some of us to shame, and spurring others on by her example. An example to the youth of St. Albert, who know her well, that we should all be so grateful for - and that we should honour.

Kin To Meet City Kin Sunday

Lots of things could happen when the Kinsmen Warlords meet the Kinsmen Edmonton hockey team in St. Albert Sunday afternoon.

'Red Light' Steve Zdrill could get a shutout - but that seems unlikely since, in their last match, the city team defeated the Warlords 8-7. Super Yuke Ed Rusnak might get another hat trick like he did in Wagerwille recently. The local gendarmes Danny Vars, Barry Goldberg and Lyle Bennett might each get their man

and keep him out of the scoring action.

But one great thing is certain to happen! All the proceeds will go for Cystic Fibrosis research - a Kin project at the provincial level. The players are paying to play and the referees are donating their time in a unique reversal of regular hockey procedure.

The game gets underway at 4:15 at 50¢ for adults and 25¢ for children, and Captain Fred Calkins thinks his team is well up for the game, as does coach Doug Foreman. Big Boss Art MacDonald and Bob Thorpe of the reluctant hair, will be there, along with Don Hurle, who started under Father Murray at Notre Dame, and 'Stormin' Norman' Tate. Ev Tremper, Marsh Marnyluk and Terry Moore have been looking good lately, and Wayne Rissling, Gord Hollett and Wally Baydala can be counted on for a good performance.

The city squad has four stalwarts in Neil Tucker, formerly of the Oil Kings; Steve Lynes, who has played with Lacombe and Drumheller and the St. Albert Comets; Jim Chase, previously with Hamilton Red Wings and the Oil Kings; and Garnet McKee, with senior hockey experience from his Saskatoon days.

Should be a good game, so bring the kids and grab a little fresh air before supper Sunday.

Council also considered bylaw 46/73 in the light of changes coming into force December 1 allowing municipalities to establish a minimum age (16 years) for admission to Billiard rooms.

Mayor Gibbon recommended that council should not proceed with the bylaw, pointing out that St. Albert had put in a resolution to the provincial government, asking that the age limit be reduced, and also that the local premises have provided two small tables for use by younger ones. He said the owners would prefer to have control and felt this was not presenting problems. Motion carried 4-0.

Coun. Lukay moved not to proceed with a bylaw making pasteurization compulsory for all milk and milk products sold or offered for sale in the town. "I have discussed this with Mr. McAmmond (Senior health inspector for Sturgeon Health Unit), and I know he and Dr. Howell, (medical officer of health) support the move," said Coun. Lukay. "However I feel there has been no problems, and no real danger - and in addition, such a bylaw would be hard to enforce."

The mayor agreed, saying if local residents wish to buy cream direct from district farmers, they should be allowed to do so.

Coun. de Bruijn moved that, since the health unit made the request, the matter be tabled for a meeting of full council. "We are now only four he said, -- and perhaps Dr. Howell should speak to council on his position." Motion carried 4-0.

in Lions Park.

At an earlier Board of Directors meeting, the Board had recommended that the park space be refused for the Teen Centre, as the Lions are currently investigating a major park development.

In her presentation requesting Lions to reconsider the WI plan, Mrs. Moore pointed out that the proposed Senior Citizen's Centre was not necessarily a "permanent facility when speaking of the long term, but would definitely meet the immediate needs of the Senior Citizens." She also pointed out that the space in Lions Park, on a leased basis, was an essential ingredient for the WI project, since "there's just no other place we can put that building."

Lion President Jack Garrett told the Gazette it was too premature to outline any details on the major park development, and felt that the renovated Teen Centre might be the temporary answer to the Senior Citizens' problem.

The tri-party committee will work out details to complement the WI submission to the RCMP Celebrations Committee.

Legion hosts Kin president

Over 50 members of the Royal Canadian Legion, St. Albert Branch, attended the general meeting held Nov. 27 in the Legion Hall, when Mr. Barry Welsh, president of the Kinsmen Club of St. Albert, was their special guest.

Mr. Welsh spoke on the work of the Kinsmen in St. Albert and the clubs objectives and plans and the Legion members appreciated the opportunity to learn more about another local organization working in the town. Actually Mr. Welsh didn't

have a chance on this engagement, since Legion president, Danny Taylor had obtained him as a 'slave' at the auction held earlier during Kinsmen Appreciation Night.

In the business session Legion members voted to turn over funds, something over \$200, to the Kinettes for the Christmas Hampers for more unfortunate St. Albert families, in place of holding their usual Christmas party for children of members. It was felt that the children could benefit from this move as well.

Election of officers for the coming year will take place at the next Legion meeting on December 11 in the hall.

A small informal group gathered on Tuesday, Nov. 27 in the Music Room of Leo Nickerson school for the November PFA meeting.

Mr. J. Arnot, principal, gave a few details of the forthcoming Christmas activities. He explained that there would not be a Christmas concert as he preferred to keep the school activities informal.

Mr. Arnot also gave a report on the Peanut and Candy blitz which took place recently. The blitz was considered a success, realizing a profit of \$800 which will go to the Outdoor Education Fund. The fund will be used to send Grade 6 students to a camp in Sundry, Alberta, in either May or June next year.

The business concluded, Mr. Arnot introduced the guest speaker, Mr. Elmer Gish of the District School Board, who has recently returned from a trip to Europe.

Mr. Gish visited several schools in the Black Forest area of Germany. He observed that the German education system is similar to the Canadian system. The schools he visited are very modern and have extremely well equipped science laboratories. Although corporal punishment is unheard of, discipline does not seem to be a problem.

From Germany, Mr. Gish visited Britain where he stayed longer and visited more schools. A revision of the British educational

system took place in the sixties following the comprehensive Plowden Report which contains ideas worth studying on this continent. He was surprised to find that the British and Canadian school systems have many similarities.

The schools he visited in Aylesbury and Amersham, Buckinghamshire, England, are very attractively designed having classrooms with huge windows overlooking the beautiful green countryside.

He was impressed with the school cafeterias where a good square meal is available for students and teachers at reasonable cost. Mr. Gish considered that students and teachers eating together gave a family type atmosphere to the lunchtime recess.

Another pleasing feature is the participation of sixth-formers (university entrance students) in the day to day activities of school life. While the junior students have to obey the sixth formers, they also receive friendship and counselling from their older schoolmates. In one school visited, the teacher/student ratio

was 1:18.

Schools in inner London are not so well placed as those outside the metropolitan area. High living costs do not attract teachers there and as a consequence there is a teacher shortage. This in turn leads to overcrowding, discipline problems and a high rate of truancy and vandalism. Nonetheless taxpayers might be surprised to learn that more is spent per capita on education in Britain than is spent in Canada or the U.S.A.

Neither schools in Germany nor in Britain have the library facilities of their counterparts in this country.

As a side issue, Mr. Gish commented on his trip to London. He dispelled the image of London as a city of fog and smog. Sunny blue skies during the day and starlit nights were in evidence during his stay. He remarked on the cleanliness of the city which had been achieved by the imposition of smokeless fuels. Active pollution controls had transformed the once murky River Thames back to a clean river to which the fish have returned.

Speaking skills develop toastmistresses confidence

The art of communication is not dead, Oratory as an art still survives. If you want proof, have a look in and listen at your local toastmistresses club.

The Sturgeon Toastmistress Club meets every second Wednesday at Paul Kane High School. Good grammar, vocabulary, syntax and presentation of speech are the order of the day. Friendly competition takes place between members of the club and a referee in the form of a grammarian is on hand. Evaluation of the best speech is made by a vote of all the members. Some of the speeches made had been prepared in advance. Others were impromptu. All of them covered a wide variety of subjects.

What benefits are derived from all this? Well, confidence is probably the most important. It takes courage to stand up and address an audience on any given subject and when you have developed this the other benefits fall into place.

Just as a woman watches her waistline and is concerned about her appearance, voice, speech organization and delivery are all part of her overall grooming. A person able to communicate effectively is better able to influence her friends and develop her lifestyle.

In an age when fashionable stock phrases cover a multitude of sins, and even grunts have meanings, it is pleasing to hear our language used artistically, and as an instrument without which our sophisticated society could not have evolved.

It was recently reported that Americans trust their garbagemen more than either their politicians or policemen.

U.S.A. farmers tell it like it is

A GUEST EDITORIAL

(Editor's Note: The following column, by Bob Brunfield in the Cincinnati Inquirer, was passed along to us by a traveller for one of the major wholesale food companies, and is reprinted here because it presents a different viewpoint on the current cost-of-living controversy.)

It would serve this country's whining, complaining penny-wise and pound-foolish housewives right if all the farmers started selling everything they produce to foreign countries.

The same goes for all the other food producers, processors, and distributors.

The typical modern American urban housewife, for all of her virtues -- real and imagined -- is a short-sighted, lazy, pampered little ingrate whose primary interests are her underarms, her hair, her hands, her hips, her over-indulged and overeducated children, her overweight and overpaid husband and the next thrilling episode of "General Hospital" -- in that order.

A hard day's work in a grocery or bakery would do her a lot of good. So would taking over the duties of a farm wife for a while. Maybe then she'd realize that these people have a right to make a decent living just as much as her union scale husband.

Whoever gave the urban housewife the idea that she's the only damned person on the world having a hard time making ends meet? When was the last time she had to send her kids off to school with a couple of cold biscuits and a hunk of fatback to hold them until suppertime, or flopped down, bone-weary after working from sunup to sundown, and worried about whether the frost was going to kill the money crop?

While m'lady of the suburbs is soaking in her tub in her Better Homes & Gardens bathroom, thousands of farm wives are scraping off the dirt of an honest day's toil in a galvanized laundry tub. And while Miss City-bitches is spraying on \$10 worth of deodorant, skin softener, hair spray, and assorted beauty crap, the average farm wife is counting her blessings because she was able to swing for a bottle of Cornhusker's lotion and some Absorbine Junior.

If the urban housewife would stop organizing food boycotts and shovel a little cow manure, maybe she'd learn where milk comes from and how much work is involved before she strains herself ripping open that little waxed carton.

Boycott a grocery? Not me, sister, I still can remember how many people would have starved in this country if the independent grocers hadn't carried them on credit during the Depression.

Wise up! All that pretty food and those nice cuts of meat didn't just appear in the markets in a blinding flash of sparkledust. Millions of people worked their tails off to put it there for you -- butchers, bakers, clerks, laborers, farmers, truck drivers, accountants, filling station attendants, and hundreds of other occupations. These people have dreams, too. They pay rent and taxes just like you do. And they deserve to make just as good a living as you do. Why single them out for destruction?

Why not your husband, the account executive? Why not your husband, the plumber? Why not your husband the doctor? Why not your husband the lawyer? Or why not -- God help you -- your husband, the newspaper writer?

You sit there in front of your color TV set with a \$5,000 car in the garage, smelling like the Garden of Eden and looking 10 years younger than you are. You take a vacation every year. Your insurance premiums are paid up. Your husband has a good job. Your children are healthy. You don't have any chains around your ankles and the bombers won't come tonight. And you're going bananas because bread went up a penny a loaf! You make me sick.

Falling Wedge

The Editor:

Regarding your article, an unusual artifact Nov. 14 Gazette, this was very common as late as 1940. It is a falling wedge used by loggers for felling trees, it is made of metal (not stone) a faller used to carry two or three of these wedges on a wire loop hanging from his belt (therefore the hole). I have never seen one made of stone, but is possible today, wedges are made of plastic.

I wish to comment on one of St. Albert's newest acquisitions, the furniture store in Grandin Shopping Park.

Streetcars Make Comeback

The oldtime streetcar may be in for a big revival across Canada, according to James H. Kearns, operations manager of the Toronto Transit Commission.

Concern for the environment and the ongoing war on city pollution have sparked this new trend in Canada's second largest city.

According to Mr. Kearns: "Passengers much prefer the riding stability of a rail vehicle as compared with a bus, and, in Toronto, public pressure influenced us in reversing our decision to phase out our streetcars."

"Instead, we are rehabilitating about 150 cars, and expect to buy perhaps 200 new ones of improved design. Toronto also has rebuilt 150 of its electric buses."

Ambulance Service

The Editor:

We want to start a petition for the Sturgeon district in which it would be requested that an ambulance be stationed permanently at the Sturgeon General Hospital, with an oxygen supply and a doctor available to administer it. We feel this is necessary because the Sturgeon district is mainly a rural district. The distances are far and because of farm

machinery and rural roads, accident risks are high. A driver familiar with the districts roads is necessary, to reduce travelling time and to avoid getting lost.

We have asked the Gazette for assistance and would appreciate hearing from any individuals or groups in the Sturgeon Hospital district who feel this is a needed service.

To Clarify

The Editor:

Last week's Gazette article stated that Councilor B. Hudson voiced his concern with the position of the Women's Institute stating we

had said "Under no circumstances would teens be allowed joint use of the building -- because of damages etc." We wish to clarify any misunderstandings that might have arisen.

It was expressed that a teen drop-in centre as such would not be compatible with a Senior Citizens recreation centre. Our main plan was to turn the basement over to be used in a similar manner as the schools and clubhouse, and the main floor would be for the use of the senior citizens exclusively.

safe driving week

portions every week of the year."

By being a defensive driver at all times, by always wearing your safety belts and by using the same caution and courtesy inspired by Safe Driving Week every week of the year, everyone can effectively contribute to the fight against traffic accidents and deaths.

Canadians are presently half way through Safe Driving Week (Dec. 1 - 7) which is Canada's longest running national safety campaign, and receives support from governments, business, industry, the police and safety organizations.

Prime Minister Pierre Elliott Trudeau, in his Safe Driving Week message, noted that the campaign "is a time for all Canadians to be more conscious of the enormity of traffic accidents."

"Traffic accidents in Canada are now of epidemic proportions and continue to increase. There is no single, miraculous cure but all concerned Canadians can help us to prevent traffic accidents by wholeheartedly supporting Safe Driving Week 1973," said Bruce J. Legge, Q.C., President of the Canada Safety Council.

The Governor-General, Honorary Patron of the Canada Safety Council, will once again sign certificates for those cities with a population of 40,000 or more that go through Safe Driving Week without a fatality. Last year 50 out of 62 communities received certificates.

During the 1972 Safe Driving Week, there were 53 fatalities compared with an average weekly traffic death toll of 115. "If traffic fatalities can be reduced during this special week," added Mr. Legge, "the death toll can be kept to minimal proportions."

with free enterprise

We were astonished at some figures that came to us the other day from The Financial Post, which threw Calgary Power's application for an increase in rate charges into a different focus.

The article basically was describing the immense new power potential in the province of Quebec, based on the Churchill Falls project and that projected for James Bay a few years down the road, and indicating the impact this might have on power-hungry industries, especially those based in the United States.

But what caught our eye was the comment about costs. Although specific kilowatt hour prices were not mentioned, the article pointed out that Ontario Hydro has put through four rate increases for power customers since January 1, 1970, ranging from six to ten per cent each. Quebec Hydro has put three rate increases through, the article points out, since 1967, ranging from 7.5 to 8.4 per cent each.

Calgary Power, on the other hand, is asking for its first increase in sixty years, and actually dropped its rates about the time Quebec first raised theirs.

It should be noted that both the eastern hydro operations are provincially operated, and if an average of eight per cent per increase is assumed for Ontario, their rates have gone up about thirty-six per cent, using the compounding factor. In the same way, Quebec's would seem to have increased roughly twenty-seven per cent over a slightly longer period.

We can't forget, either, that Edmonton Power, which is owned by the City of Edmonton, simply advances its rates by eighteen per cent without even a by-your-leave to the Board of Public Utilities Commissioners. The City of Calgary, which buys power wholesale and distributes it retail, imposed an increase far higher than what was required just to offset their increase.

We're not saying that Calgary Power is lily white, and should be automatically granted an increase in rates simply because they've asked for it. But we do maintain that only when a utility is privately owned, like Calgary Power, do the customers get a chance to make them prove their need. The customers in Edmonton, Calgary, Quebec and Ontario had no appeal. And in the face of such universal increases around the country, it seems patently absurd to force Calgary Power to spend literally hundreds of thousands of dollars in documenting every last insulator involved, while municipalities like Camrose spend equally huge sums to make them prove every penny involved.

Certainly the case should be proven, but surely it's not reasonable to go on forever arguing the merits. After all, we know who's going to pay the cost. It won't be the power company, and it won't be the municipalities. All we're doing is forcing upon our own taxes and our own power bills to pay the costs, while the lawyers and the engineers get fat at our expense.

by-law changed for purely political reasons

A GAZETTE READER COMMENT

On November 25 at 4 p.m., I received a summons to appear in court, charged with contravening the Off-Highway Vehicle Bylaw. I expected to be ticketed as I crossed in front of the RCMP barracks where a sufficient number of RCMP were on duty. I was not disappointed.

I bear no ill-will towards the RCMP whatsoever. They are hired to enforce the laws as laid out by various governmental bodies and when they ticketed me this was exactly what they were doing. The quality of the police force in St. Albert is excellent and I have found them to be fair and cooperative during any professional or personal interaction with them.

Why, then, am I creating a hassle for an already very busy police force? My argument is not with the police force but with the Off-Highway Vehicle Bylaw and the manner in which it came to pass.

As you no doubt recall, last year the snowmobile issue was discussed, debated and cursed with such heat that the very snow almost melted. One councillor felt so strongly about it that he publicly stated that his greatest disappointment of the year was his failure to have them banned. An interested citizen reported in the January 17, 1973 issue of the Gazette that "I probably heard from almost a hundred St. Albert people Monday night and Tuesday." I found this surprising as when I tried to call him I was informed that he had an unlisted number.

The snowmobile issue became involved in the by-election which was, I felt, unfortunate.

The end result was the formation of a Snowmobile Association which pledged to do everything possible to eliminate inconveniences and annoyances caused by snowmobiles and to deal with legitimate complaints of citizens. In return council would allow use of the river and streets on a trial basis. On January 15, 1973 a motion was passed which left snowmobilers the right to use the streets and the river. Voting for the motion were Mayor Gibbon, Councillors Hudson, de Bruijn and Lukay. Against were Councillors Bakker and Thronson. Councillors voting for continued use made it clear that this continued use would depend upon the performance of the Association. Councillor Thronson was against continued use for safety reasons; Councillor Bakker -- well, he was just against it.

This occurred prior to the election. During the campaigning, a rink was built on the river through Town. Following the election, the right to use the river by

snowmobiles was removed, with Mayor Gibbon, and Councillor de Bruijn voting to uphold the moral agreement made with the Snowmobile Club, and Councillors Bakker, Thronson, Lukay and the new Councillor, Fyfe, voting against continued use. Councillor Hudson was ill at that time. Reasons for the change was cited as concern for the safety of skaters on the river rink... a laudable concern. The Snowmobile Association suggested alternatives such as a dividing lane that the association would stake so that there would be a physical barrier. The association felt that bearing in mind cleaning problems and problems with street run-off on to the rink every warm spell perhaps the rink could be slightly smaller thus allowing for a snowmobile bypass route. The opposing councillors felt these alternatives to be useless, and an amendment was passed which allowed continued use of streets but not the river. This led to the ludicrous situation of anyone who wanted to go through town or out of town having to travel the entire distance on the streets. In the Spring of the year the entire matter was passed to a three member commission for recommendation. The commission was composed of one RCMP, an officer of the Safety Council and a representative of the Snowmobile Association. With the problems created for the Police force by snowmobiles, if I were an RCMP I would not be too prone to favour use. The Safety Council was very concerned and legitimately so. However, at the one meeting I attended with the Safety Council the Commission Representative spent an hour moralizing about license plates. I failed to see the connection between license plates and safety and mentioned this. I was not invited again. In fact, when the question of a representative to the commission came up my name was in the not-wanted category.

To me the end result was not surprising. The Off-Highway Vehicle Bylaw was passed. This bylaw attempted to ban Off-Highway Vehicles from the streets, frozen surface of the river, and all other lands within the corporate limits of the town. It allows the starting of the machines to load or unload, a concession that Mr. Bakker was not eager to include.

Why fight it?

I feel that Town Council as a whole owed citizens in St. Albert a chance to try to govern and regulate themselves whether they were snowmobilers or cross-country skiers. The rules were changed due to politics, not

actions.

For the people who have the money, time and equipment necessary to travel to the Overlander, to the Parks, or to other lovely areas, this bylaw presents no problem but what about those whose parents are out of town, whose parents work weekends, whose parents don't know a friendly farmer who will let them on his property? The bylaw finishes snowmobilling for these people.

The bylaw has numerous unenforceable sections:

i) tractors are not allowed to run within the town limits;

ii) scouts, jeeps, 4x4's, in fact, any 4-wheel drive vehicle is not allowed on the streets.

People who own farms or acreages within the town corporate limits are not allowed to legally use any off-highway vehicle on their own land; i.e. Joe Bussche can't farm with a tractor.

The amount of the fines is out of proportion. In the Provincial government Off-Highway Vehicle Act, the penalty for the FIRST offense is a maximum of \$50.00; for the second offense, a maximum of \$100.00. The St. Albert bylaw stipulates a minimum of \$50.00 first offense and a minimum of \$250.00 upon a second offense. With penalties of this nature it is assured that people will try to evade peace officers which will create a dangerous situation. The bylaw will have to be discriminatorily enforced or the Peace Officers will appear foolish. They cannot ticket a Scout on the street or a tractor in the field and yet both are forbidden by the Bylaw. Hardly a good position in which to place the Peace Officers.

These are some of the reasons why I feel the Bylaw should be rescinded. With the increase in traffic, the removal of snowmobiles from the streets is necessary, but to remove them from the river and private property is, in my opinion, both unnecessary and of doubtful legality.

If, in the courts, the bylaw proves to be unworkable I would hope that Council will reconsider their position on joint use of the river by both snowmobilers and skaters.

For those who will reply, I welcome your comments, but hope that reason and logic, rather than emotion, will prevail.

Arthur Perrott,
Glenhaven Crescent.

Members meet on Wednesday evenings in the Clubhouse (beside the swimming pool). From Dec. 5 play starts at 8 p.m. - up till now the club has met at 9:15 p.m. For information phone Mr. and Mrs. Wilbur at 458-0325 or the Department of Recreation at 459-6601.

SKATING IN ARENA:

Public skating sessions are held on Wednesdays from 7 - 8:30 p.m. and on Saturdays from 2 - 3:30 p.m. Parents and pre-schoolers can skate together on Wednesday mornings from 10:30 to 11:30 a.m., when the admission charge is 25¢ per person.

December 4 was the last night of the soccer schools which have been held in Sir George Simpson Junior High

School on Tuesday evenings. SQUARE DANCING:

Last Saturday, the St. Albert Saints and Sinners attended the annual Toy Dance sponsored by the Edmonton and District Square Dance Association in Ross Sheppard School. A toy was the cost of admission and the many toys collected will be distributed before Christmas.

The last regular dance this year will be held in Sir Alexander Mackenzie School on Saturday, Dec. 15.

For information about the activities of the local square dance group phone Mr. and Mrs. Terrault at 459-6896.

POWER SKATING:

Registration for the next 10 week session of power skating (Jan. 15 - March 19, 1974) will be taken at the arena on Saturday, Dec. 15 from 10 a.m. - 12 noon. Lessons last for half an hour and will be held between 3:45 and 5:45 p.m. with practices on Thursdays between 6 and 7 p.m. Please note

that helmets must be worn by all participants.

The cost is \$7 per child plus a \$1 family membership - unless a member of the family is already skating in the present season.

FIGURE SKATING:

Outdoor figure skating instruction begins on Thursday, December 6 at Brae-side Rink. Those who registered and have already been notified of the times are reminded that on Thursday, December 6 ONLY, instruction will be given between 5 and 6 p.m. For the weeks following - instruction will be given between 4:45 and 5:45 p.m. All the classes are filled for this 10-week session. Further information can be obtained by phoning Janice Sutton at 459-0001.

C.P.S.A. figure skating tests will be held in the Arena on December 10 from 4 - 6 p.m., with dance tests taking place on December 14. Spectators will be welcome

on both occasions.

SKIING:
Cross country skiing is becoming very popular, if interested in learning the basic techniques - care of equipment, etc., please phone the Department of Recreation. A course may be arranged if there is sufficient interest.

Hockey Night series to assist coaches

Can we beat the Russians next time? What is being done to improve and upgrade our skills? Hockey Night in Canada will present a five-part series that may answer many prevailing questions. The series is based on findings of the Hockey Technical Advisory Committee (TAC), a body comprised jointly of members from Hockey Canada and the Canadian Amateur Hockey Association.

Recently, TAC brought 50 of the top Canadian University and Minor Coaches to Toronto to attend four days of lectures and seminars. The group included representatives of the best hockey resource people from every province; working together to assist in the improvement of coaching proficiency.

Hockey Night in Canada's presentation, to commence December 1, 1973 includes film of the Technical Advisory Committee in action during this seminar.

Following is a brief resume of scheduled topics for discussion during Hockey Night in Canada's five-part

Intermission series:

On December 1 the Technical Advisory Committee is introduced. Its purpose, which is primarily to assist minor coaches to help our youth maximize playing potential, and accomplishments are discussed. On Dec. 5 star goaltender, Ken Dryden discusses the philosophy, attitude and new training techniques now used by coaches in teaching the art of goaltending. On Dec. 8 the

Russian and Canadian Minor Hockey Coaching Systems are compared and discussed, and on Dec. 15 attention is focused on our Canadian Minor Hockey Coaching Philosophy. What should it be?

Wednesday, Dec. 19 the professional coach - his attitude toward the Hockey Technical Advisory Committee and its findings is discussed by Philadelphia Flyers' Fred Shero on the Dec. 19 session.

Lions Approve Move Grant

The first meeting held in the dining room of the St. Albert Inn by the St. Albert Breakfast Lions was a roaring success. A fine turnout of almost 80 per cent of the membership were given an informative talk by two charming guest speakers, Dorothy Bart and Peggy Morrison, of the Edmonton based MOVE organization.

This charitable organization provides assistance to unwed mothers, and depends upon grants and donations from concerned groups, and government agencies, for its existence.

After the ladies had left, the Lions members discussed, and approved a motion to lend financial support to this organization.

Comets score seventh win - Jakubec gets shutout

Jasper Auto Parts Comets ran their unbeaten string to seven straight league games with a 10-0 shutout over CFB Namao Thursday night and a 3-4 win over Barrhead Sabres Sunday night in St. Albert.

Comets have dominated every game this season, scoring an average of 8.4 goals per game while allowing 1.85 per game.

St. Albert will travel to Waterburn tonight to try for eight in a row. Waterburn lost their opening game 8-7 to CFB Namao but have since won five straight.

Sunday the Comets will be at home to Sherwood Park Barons who sport a 4-1 record with their only loss coming to Leduc (4-3).

Comet goalie Zane Jakubec picked up his first shutout of the year in the 10-0 win over CFB. St. Albert completely dominated the game especially the opening 20 minutes when they scored six big goals.

Perry Pearn scored a pair of first period goals with singles going to Randy Clarke, Gary McCooye, Doug Bell and Richie Perrault. Bell scored two second

period goals to complete his hat trick while Al Laplante and McCooye tallied the others. Laplante's goal was his first of the season. Coach Gary Checknita had a big night assisting on four goals.

Sunday's game with Barrhead saw Comets take a 5-1 lead after two periods and outscored the Sabres 4-3 in the final 20 minutes.

Doug Bell and Andre Contant scored first period

goals. Phil McCargar made it 3-0 midway through the second before Ed Zarry scored an unassisted goal for Barrhead. Gary Checknita, with his first of the year and Wally Monson scored late in the period for a comfortable 5-1 lead.

Monson added two more in the third for his hat trick with singles going to McCargar and Rich Perrault. Wally Wenck played a strong game in goal for the Comets.

Junior Bruins back in action

St. Albert's Junior Bruins hockey club have not had a scheduled Capital Junior Hockey League game since Nov. 20 when they scored a decisive 10-6 win over Waterloo Mercurys.

This weekend the Bruins will get back into the swing of things with two games. Saturday they travel to Leduc for a game against the Riggers at 8:30 p.m., and Sunday they go to Sherwood Park

with the game starting at 8 p.m. Their next home game will be Friday, December 14 when Fort Saskatchewan will be here.

Recent statistical release from league headquarters show Bruins in second place and three players in the top 12 scorers. Forward Perry Whan and Blair Burgess each have 14 points on five goals and nine assists, 14 behind leader Gord Stewart of Sherwood Park. Defenseman Jim Edwards holds down 12th spot with six goals and seven assists for 13 points.

St. Albert Oldtimers were in a happy mood Sunday morning after having won their third straight K of C Invitational Trophy with a final 7-2 win over Wainwright. The Rogers Esso trophy is in the foreground.

St. Albert team captures KC trophy for 3rd time

The St. Albert Knights of Columbus team won the K of C Invitational hockey tournament for the third consecutive year with a final 7-2 win over Wainwright Sunday.

The Rogers Esso trophy was presented to team captain Noel Meunier by Roger Montpetit for capturing first place. Tournament chairman George Shaver presented Legal K of C with the second place trophy. Both St. Albert and Legal had perfect 3-0 records but St. Albert won the championship as they outscored Legal 18 to 14 goals.

The six team tournament was well run with most of the credit going to Mr. Shaver. The only unexpected event of the weekend was the unfortunate accident when Father Jake Joly fractured his left leg when he fell into the boards Saturday morning.

Following the final game Sunday, Grand Knight Al Alain, Noel Meunier, George Shaver and Larry Mitchell were allowed into the Sturgeon Hospital for a few moments and presented the trophy to Father Joly. Although still very groggy he was very pleased and the large trophy now is in his room.

St. Albert had no trouble in the final game over Wainwright as they scored four third period goals for the 7-2 win. Cy Klassen led the way with three goals, Ed Rechlo with a pair and singles from Al Alain and Bernie Levasseur. Mark DeKenstein scored both Wainwright goals and was probably the best player in the tournament. St. Albert's other two wins came over Holy Family 7-3 and a close 4-3

win with Bonnyville. Klassen was top scorer for St. Albert with six goals. Ray Brisson of Legal allowed the fewest goals against with four.

St. Albert coach, Denis Laurin gave thanks to both

the participating teams and the fans for making the tournament a success. A huge bouquet to the head nurse on the fifth floor for allowing some of the players to see Father Joly.

The Paul Kane Girls Volleyball team won the Conference Playoffs in Onoway, Nov. 24th, defeating Mayerthorpe, Onoway and Stony Plain. The girls turned in a superior effort, winning the round robin, and a final match was not necessary. Last week they competed for the Zone Finals in Fort Saskatchewan, against three other conference winners, but lost out. Standing are, from left to right: Marilyn Ahronson, Janice Moffat, Carolyn Gerrie, Leslie Wellman, Pat Schmitt, Wendy Keith and Mrs. Newman (coach). Kneeling are Wendy Gores, Donna Sutherland, Myrna Macauley (assistant captain); Marie Larocque (captain), Rose Anderson and Cindy Suvan.

Juveniles blast Westlock

The St. Albert Juvenile BII hockey club won their third game in as many starts with an 8-3 win over Westlock last Thursday in a penalty studded game which saw referee Fred Calkins hand out 30 penalties.

Captain Terry Kieser led St. Albert marksmen with three goals while Matt Lister added a pair. Jeff Holden, Gary Bruins and Mike Dav-

ids scored the others.

St. Albert had period leads of 3-1, 6-2 and a final 8-3. Dave Grice, Chris Hoffart, Ian Langridge and Gary Bruins each received 10 minute misconducts in the third period while Ken Madson of Westlock also drew a misconduct.

The league, consisting of clubs from Legal, Bon Accord, Calahoo, Gibbons, Morinville, Nmao, Villeneuve and Alexander, will play a 21-game schedule on Tues-

days, Fridays and Sundays. Games in the Legal Arena will be 2 p.m. and 4 p.m. Sundays, 8:30 p.m. on Tuesdays and 8 and 10 p.m. on Fridays. Morinville's times are 1 p.m. and 3 p.m. on Sundays, 8:30 on Tuesdays and 8 and 10 p.m. on Fridays.

At a recent league meet-

ing in Morinville, Bink Fizer stepped down as league president and Rene Leduc of Morinville was elected. Paul Krauskopf remains as secretary-treasurer and Laurent Coulombe of the recreation office will look after the statistics. Coaches or managers are reminded to get the game sheets in immediately to Mr. Coulombe after the game.

Calahoo Scorpions are back to defend their title won last year in a tough series over Morinville. All clubs have been practising for some time now and the league should be on their way to another good season.

Games this weekend in Legal: Legal vs Bon Accord 2 p.m., Calahoo vs Gibbons 4 p.m.

Morinville Arena: Morinville vs Nmao - 1 p.m., Villeneuve vs Alexander - 3 p.m.

Fire Chiefs suffer first league loss

St. Albert Fire Chiefs suffered their first loss in Edmonton Rural Hockey League play at the weekend, bowing 4-3 to Westlock in a game that was considerably shortened due to the non-appearance of referees.

Chiefs, who had defeated Westlock 14-2 and 11-2 in earlier games, couldn't get anything to work for them this time around.

They took a 1-0 lead in the opening period but Westlock tied it near the end of the session. Chiefs took a 3-1 lead in the second but Westlock cut the margin to 3-2 before it ended.

In the 10-minute third period, Westlock scored twice on one shift to win it.

Ronnie Sander, Larry Sander and Colin Wear scored the St. Albert goals. Chiefs had a goal by Donald Oultette disallowed, a deflection

on which the referee claimed the stick was high. They also missed out on another, which Greg Brandenburg appeared to jam in the short side only to have the referee wave it off, claiming it never crossed the goal-line.

Chiefs had no excuses, however, they were had and had well. The fire was only in their name this day.

With a 3-1 record now, they play host to Burnhead in St. Albert Arena at 8 p.m. on the next two Saturdays. They travel to Red Deer Sunday for an exhibition game.

Chiefs are busy raising funds for a trip they are planning for Easter week. To do this, they are renting out their services for shovelling snow and babysitting. For further information call Doug Millroy, the coach, at 459-7860.

Albert Hauptman presents the Bruin Inn trophy and prizes for 1st event winners of the St. Albert Men's Open Bonspiel, following the finals played Sunday evening. Playing with Steve were Lionel Rouault, 3rd, Jan Donalds and lead Sid Liptak.

Skip Al Edwards accepts the 2nd event trophy in the Men's Open from Club Director Brent Hodgins, on behalf of his rink: Brad Hoosier, Gary Greening and Don McKenzie.

City & local rinks share cash at ladies bonspiel

The St. Albert Ladies Cash Spiel attracted a full complement of 32 entries, 14 local and 18 Edmonton rinks.

Winning the A cash event, the Hadey Manley rink from Edmonton went through undefeated, beating out Liz Gemmel's rink in the final Sunday afternoon, Nov. 25.

Skipped by Hady Manley, Thyll Logan third, Edie Dillietard, second, Anna Kasting lead, Third and fourth places in the A event went to the Lois Hill and Dora Kish-

tuchl rinks.

The Sheila Chapman foursome from Edmonton with Irene Kenyon, Ruth Henry and Shirley Kedus won the B event, defeating the Mary McKeever rink. Runners up in the B event went to the Doreen Doleman and Cecile Como rinks.

The C event was won by Jolley Deever of Edmonton, with Mona McLennon, Merina Dachinski and Dorothy Colbons. They defeated Carol Cushner in the final

game with an extra end. Third runners up were the Bev Ledieu and Joyce Fraser rinks.

This annual cash spiel was a tremendous success due to the efforts put forth by the executive and many others who gave so generously of their help.

The social committee handled the banquet Saturday evening, and the organizing and energy they put into this did not go unnoticed by the participants.

Midgets take over top spot in league

St. Albert's Midget representatives secured a first place in their league standings Sunday with a 3-2 victory over Ardrossan. It was the team's fourth consecutive league victory, maintaining an unblemished record in the still young season.

The Midgets also thumped Westlock 9-1 in their third league tilt last Thursday. Ardrossan will return to the St. Albert Arena Thursday evening at 8 p.m. in an effort to dethrone the high flying Sportshop Barons.

In the game at Ardrossan, St. Albert trailed by an early goal in the first period of play, but Lloyd Olson managed to tie the game by the end of the period, and then push his team ahead 10 minutes into the second frame. Newcomer Steve Lister put St. Albert ahead minutes later provided the slim margin enough to carry the victory.

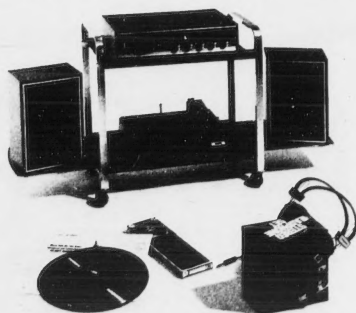

In their home game against Westlock last Thursday Gary Ferguson, Tom Parayko and Steve Lister each notched two goals in their 9-1 ram-

page, with singles coming from Lloyd Olson, Chris Hoffart, Darrel Bilsten and Greg Thibert. Westlock opened the scoring in the game and managed to retain their lead for five minutes in the first period, until St. Albert opened up with their nine goal performance.

After hosting Ardrossan Thursday, the Midgets will travel to Barrhead Sunday.

Youth bowler winners in the Bowler-of-the-Month tournament Saturday were Susan Schuchard, back left, Cory LaPerle and Susan Abrahamson, Sandie Gare, Kelly Devine, Gary Berbank and Craig Royer are in front. Winner Mark Dobko is missing from the photo.

Peewee Bowlers have their own delivery style and really got involved in the Youth Bowling action during the Bowler-of-the-Month tournament at Grandin Lanes Saturday. Gary Berbank, left, and Kelly Devine ended up with top honors in their category.

Local bowlers win

A pair of youth bowlers from St. Albert returned home with top honors as the Edmonton 5-Pin Bowling Association concluded their annual junior single championship Sunday.

Christine Ahronson, 54 Grandora Crescent, nailed down the Bantam Girls Scratch trophy as she outdistanced her nearest Edmonton rival by a large margin, Chris, whose big

brother Ken is YBA co-ordinator for the St. Albert area, rolled a terrific 284 in her third game. Capturing the runner up crest in the Senior Handicap Division was Corey LaPerle of 1 Gordon Crescent. Corey also manages the very popular 11 a.m. bowling shift on Saturdays.

A total of 16 St. Albert youth keglers competed in the Sunday playdowns.

Face-off Dance

Hockey fans are reminded of the Face-off dance being held by the Sturgeon Valley Intermediate D Hockey League on Friday night in Morinville Recreation Centre. The Satellites will be on the bandstand, and a most unusual "boat race" is on the

program. Tickets at \$10 per couple are available from any team member from Legal, Morinville, Calahoo, Nmao, Gibbons, Bon Accord Villeneuve and Alexander. Tickets include refreshments and supper and it should be a great evening.

SEE THE COMPLETE LINE OF JVC EQUIPMENT

Audiophiles have long recognized the superiority of JVC products. And with good reason. JVC hi-fi equipment offers almost unbelievable reproduction. The explanation is simple. Audiophiles are very particular. They demand the latest and best in sound engineering... and we go out of our way to see that they get it. With innovative engineering and quality craftsmanship that have resulted in sound products of the highest quality. In fact, when it comes to innovations, JVC is way ahead of the field. And this year's products prove it. With features that reflect the highest state of the art. Features you won't find on other hi-fi equipment coming as much. Features such as JVC's unique SOUND EFFECT AMPLIFIER or S.E.A., a super tone control system that permits you to have complete freedom and control over sound in all the crucial frequency ranges of the audio scale. With it you can compensate for room acoustics, for the sound characteristics of other components, and even create entirely new sounds of your own personal choosing. 48 or 4-Channel Simulator circuits let you convert ordinary 2-channel signals into simulated 4-channel sound with the addition of rear channel speaker systems. And components one of the world's most advanced. Which is why sooner or later, you'll find that a lot of the features that are JVC's exclusive now will no longer be exclusive. Unless you want to wait till then, the only place you'll find them right now is at HAROLD'S.

Storyhours conclude

From fresh fall days to frosty mornings the last 10 weeks have been very busy at the St. Albert Public Library with three pre-school storyhours each week for local youngsters. This week the present sessions will end to be resumed in February.

Each session has drawn over 40 pre-schoolers for a happy hour of songs, stories and games. This fall the popular bilingual storyhour was continued and over 20 regulars attended. The library was fortunate in having the services of many volunteers to provide these programs. Mrs. Anne Ashburn provided the fun and games on Mondays and Thursdays with help from Mrs. Catherine Miller. Mrs. Florence Lefebvre, Mrs. Terry Regimbald, Mrs. Marg Broten, Mrs. Lucille Roudeau and Mrs. Pauline Bolevic were responsible for the continued success of the Wednesday bilingual sessions.

With the overwhelming response for these programs over the past 10 weeks, they will certainly be continued in the spring.

Student programs end at Library

The St. Albert Public Library's popular weekday programs for school age children end this week. The daily 4 p.m. programs, which began in October, have been well received and will be repeated in the spring.

The weekly roster included Storytime, Myths and Legends, Hobby Time, Make and Do Time and Friday Films. All were free and were operated and organized on a drop-in basis to attract youngsters after school. Mrs. Anne Ashburn volunteered to organize and run the programs over the 10 weeks. In early February the 4 p.m. children's programs will resume along with the Preschool Storyhours.

Annual meeting reviews Safety Council program

The St. Albert Safety Council held its first annual meeting on Tuesday, November 27 at Robert Rundle School. The meeting was chaired by Rod Thordson, town council representative to the Safety Council, in the absence of Gordon Goodman due to illness.

For the benefit of the guests attending the meeting, Mr. Thordson explained the aims of the safety council. He also outlined the basic structure of the council which consists of a chairman, secretary-treasurer and five co-ordinators representing the following

areas of safety; fire, traffic, home and child, recreation, statistic.

There is also a "special projects" co-ordinator and a "public relations" co-ordinator. Each co-ordinator is assisted by a committee. The Safety Council is jointly funded by the Preventive Social Services Department of the Province of Alberta and the Town of St. Albert.

The activities and achievements of the Safety Council during the past year were summarized in a report submitted by chairman Goodman. He thanked the council members for their

hard work over the year and emphasized the Safety Council's gratitude for the active support given to it by the town council, the St. Albert Gazette and other news media.

The St. Albert Safety Council applied for membership in Alberta Safety Council and the St. Albert Chairman, Mr. Goodman, was elected a director of the Alberta Safety Council. It is felt that the St. Albert group has had considerable influence on other towns in Alberta stimulating them to investigate the area of accident prevention.

The St. Albert Safety

Council has been active in St. Albert during the past year. A Red Cross Water Safety Course; St. John's First Aid Course and a Canadian Mental Health Seminar were organized under the auspices of Safety Council. Upon the recommendation of the Safety Council "Stop" signs in many places now replace "Yield" signs. The town council also accepted the Safety Council's recommendation to form a special advisory committee to investigate the snowmobile controversy. As a result, a new bylaw is now in force. On October 5 and 6 a safety exhibition, "Safety Day

1973" was presented in Grandin Shoppers Mall.

The Safety Council has been able to establish that over 50 per cent of all injuries in our town occurred in or around the home. This category was followed by "Sports and Recreation" at approximately 25 per cent and Traffic 20 per cent. Children up to the age of five years are the highest accident risk with peak accident period between the hours of 1 p.m. to 6 p.m.

In summation, Mr. Goodman stated that he felt the Safety Council had become a solid group which is looking forward to the coming

year with anticipation. He urges everyone in the town to emphasize "Safety" in their homes; in operating their cars; and to generally concern themselves with their own safety and the safety of others.

Volunteers are needed to work in all areas of safety on the council. Anyone interested in becoming involved is asked to contact Mr. Goodman at 459-3466.

The executive for 1974 was elected. Mr. Goodman will serve as chairman; Mr. S. Mills, vice-president; and Mrs. Jackie Keith, secretary-treasurer.

Accent from Aikens

By Kristine Iddings

The student council of Lorne Akins Junior High School for the 1973-74 term is Elaine Calhoun, president; Brian McCann, vice-president; Lynn Bossett, social convener; Ada Schram, secretary; Marni Matychuk, treasurer; Jo-Ann Olsen, girls' sports convener; Mark Ammar, boys' sports convener. The council seems to be doing a great job for the students so keep up the good work.

The Students' Union recently purchased a public address system for the use of the school.

The halloween dance was attended by hillbillies, mid-gets, police women and others in original costumes.

On November 10 a bake sale was held at Westmont Shoppers Mall. The students would like to thank those people who made it a success - a special thanks goes to Mrs. Nelson and Mrs. Paulchuk for organizing everything. The money raised at the bake sale and an upcoming event, will go toward the adoption of a foster child. This will be our major project of the year.

A fund raising event was held on November 30 at 3:30 in the Lorne Akins gym. Everything from games of

skill to haunted houses to even hot dog sales was found there. Proceeds from this successful evening will help the foster-child project.

We are looking forward to a closed Christmas dance, music to be supplied by Southbound Freeway. Proceeds from a film being shown will go to the Kinette Christmas Hamper.

The students hope that 1974 will be as great a year as the last three months of 1973.

CARD OF THANKS

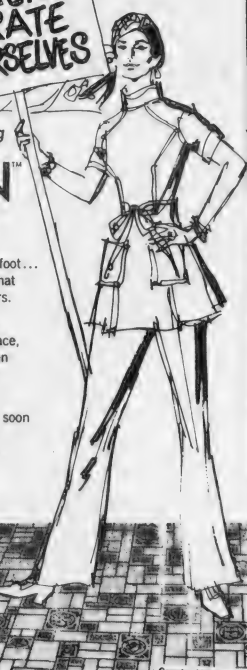

I would like to take this opportunity to thank all neighbors, school children, Parish and all who donated in any way to help us out after the fire in our home.

Mr. and Mrs. J. Gleason and Family.

Thank You

The Grandin Local Association of Brownies and Guides wish to thank all those who supported their bazaar held Saturday, December 1.

Royal Bank opens 2nd branch in St. Albert

We asked Mrs. Fran Boudoin, manager of the new Royal Bank at St. Albert Lacombe Park Branch, why she thought the Royal Bank is "the helpful bank." After working with the bank for 21 years Fran believes that it

has always been able to respond to the changing needs of people in the fast moving society we live in today. She said that this is probably because of communication within the bank itself that ensures programs that

permit her, as manager at the branch level, to respond to the real day-to-day needs of her customers. Also it helps to know that you work for the bank whose innovative policies have always contributed towards making the Royal Bank Canada's leading bank.

Probably as important as anything, Fran enjoys trying to assist people in obtaining what they are looking for.

Most big offices today have a machine for destroying private papers, and in the age of deductions, the average pay cheque looks like it has been printed by the shredder.

and doesn't mind going out of her normal routine to look after the bank's customers. When asked how she can "help make it happen" Fran said that sometimes there are rewards from advice and counselling when you can really see how you did help make it happen.

Highfield Development specializes in the construction and development of Shopping Centres, commercial projects and industrial buildings. Highfield recently won a Landscape Award for a Royal Bank Building in Edmonton and has included extensive landscaping in the Lacombe Park Shopping Centre. Projects of this nature have resulted in the development of a tree farm to provide the landscape material. Highfield Tree Farms are located in 600 acres of land immediately west of St. Albert.

Sprague Drugs opening will mark 40th year

When Sprague Drugs open their Lacombe Park store in St. Albert in the New Year, it will be one of their ways of celebrating 40 years of serving the people of Northern Alberta. Don Sprague, the owner and manager of the company, took over operations upon the retirement of his father, Walter Sprague. Mr. Sprague Sr., started the company with one store in Edmonton in 1934, and still maintains a lively interest in the business since his retirement, but the day to day administration and operation of the eight stores in Edmonton and one in Sherwood Park require all the attention and energy of his son, Don.

The highest possible standard of personal service to the public is Sprague Drugs Store's main objective in an industry which has become increasingly self-serve oriented. A staff of 20 professional pharmacists in nine stores concentrate on prescription service while the other staff are largely concerned with cosmetics, toiletries, toys and gifts. All Sprague Drug Stores offer delivery service in the areas they serve and a warehouse is maintained in Edmonton.

The Lacombe Park Store, which will employ a staff of five or six people, hopes to provide a post office service in addition to its prescription service and full range of other goods.

"I suppose father always says money can't buy happiness simply because he doesn't know where to shop!"

The highest possible stan-

Manager of the Royal Bank, Mrs. Fran Beaudoin, Lacombe Park Branch, second from left, and visiting city manager in foreground jointly cut the ribbon to officially open the branch in Lacombe Shopping Plaza, while staff members look on. Mayor Ray Gibbon was unavoidably detained and telephoned his congratulations to Mrs. Beaudoin and Mr. John Grave, manager of the Perron Street branch. "I especially wish to congratulate the Royal on being the first to have two branches in St. Albert," he said, to which Mr. Grave responded that "We believe St. Albert deserves us - and our next problem will be where to locate branch number three."

Congratulations★

Cakes & Ale and English Pub at Fine Furniture Festival

Straford, Ontario, world renowned for its Shakespearian Festival, is rapidly building a new reputation among furniture connoisseurs, for its annual Fine Furniture Festival which highlights the town's major industry, and previews many of the styles that will be appearing in Canadian homes.

The next Festival from January 6 to 18, 1974 will be attracting furniture buyers from across Canada and members of the public from all parts of Southern Ontario.

Over 15,000 square feet of space in two major centres will be devoted to room settings of scores of new lines from traditional to

modern furniture for every room in the home.

Among the groups on display will be Cakes & Ale by Imperial Furniture and English Pub by Kroehler.

The Cakes & Ale dining suite is made of solid oak with a deep rich brown spice finish. The furniture is accented with cane, and the tea cart has a vermillion touch.

English Pub is one of the settings that emphasizes the trend to informal and relaxed living - furniture to be used and not just looked at. Modelled on furniture found in the lounges of many of the old English coaching houses, it is available in a variety of fabrics with authentic brass nail-head trim and super-soft cushioning.

LET PARTY TIME BE FUN TIME FOR MOM

icing cookies is one way children can help take the load off mom at party time, and it's fun too.

Probably no time of the year is more party-oriented than Christmas and New Year, but behind all the fun and games, there is an enormous amount of work for the party organizer—and that usually turns out to be mom. But with a little planning and the enlistment of the family to look after some of the details, party time can be fun time too.

Instead of dreaming of hiring a caterer you can carefully plan entertainment menus and discover exciting shortcuts. To help you in your hours of need I have pulled together some hints and ideas that have proved their value in many a party crisis.

Make Lists

Don't trust your memory. A little effort spent on making lists will save hours of time and lots of embarrassing moments. Make guest lists and shopping lists. List the everyday things you need, and the extras like candles, flowers, matches and mints.

Your guest list is most important. They're the reason for your party. During the busy party season your friends may have many other invitations so don't forget to give them lots of advance notice.

One way to get around this problem could be a holiday brunch between 10 a.m. and noon. Service is always easy going and informal.

Your shopping list should be made well in advance as there are sure to be some items you won't have in stock. Some may have to be specially ordered. Others may have to be purchased the day of the party (salad ingredients, cream, flowers, and ice). By updating your list from time to time, you'll catch missing items.

Several days before your party, look over your serving pieces, linen, and anything else you will be using. Last-minute surprises in this department you don't need. It's too easy to assume that silver is polished or that you have enough fuel for your chafing dish.

The menu is planned around your guests, the theme or purpose of the party, and the mood (formal or informal, buffet or sit-down).

Canapes with drinks will start your party on the right note. Flavored butters spread evenly on thin bread or other canape bases can make simple or elaborate appetizers. Almost anything can be used to flavor butter. Not only butter, but other soft foods may be spread on plain or toasted bread or crackers and served with chicken, seafood, meat, vegetable or egg garnishings. For example:

Sardines mixed with a little lemon or lime juice spread on bread squares and served hot or cold.

Sausages wrapped in flaky refrigerated turnover pastry.

Always try to take advantage of dishes that can be prepared in advance so you can be with your guests and enjoy their company and your own party.

Plan a Menu

A hostess who spends all evening in the kitchen might as well not be at the party, so plan a menu you can prepare well and easily without too much last-minute attention.

Overn-to-table serving is very popular and many main dishes can be cooked and served in the same dishes; whether it is casserole or electric frypan.

And don't forget the magic touch of garnishes and pretty table decorations to please the eye as well as the palate.

A freezer or emergency shelf stocked with frozen casseroles, refrigerator rolls like those made by Pillsbury and some cakes or cookies will see you through any emergency when friends "drop in" and you can stay relaxed.

For informal entertaining or large groups of guests (children or adults), casserole recipes or Chili con Carne are great ideas. They can be prepared a day in advance and heated up shortly before serving. Served with a convenience product such as hot crescent rolls and a salad that you keep crisp in the refrigerator by covering, they will satisfy the most demanding appetite. Dessert can be made the day before or even at the last minute if you have a 10-minute gourmet spectacular.

Let the children into the act. They can make festive cookies with refrigerated products found in the dairy section.

This year a package put out by Pillsbury even comes complete with cut-out decoration forms. This way, they can help mom and learn the pleasures and courtesies of entertaining.

Soft cheeses blended with chili sauce, tabasco or Worcestershire sauce.

Blue cheese mashed with softened butter filled into canape shells and topped with a contrasting texture of thinly sliced cucumber, hard boiled eggs or green apple. Finely chopped olives added to soft spreading cheeses flavored with Port wine or Brandy.

If you have any other kitchen problems or would like some more quick-fire party recipes, write to me at The Convenience Food Centre, 165 University Avenue, Toronto, Ontario M5H 3H8

Come back to learning in January

Grant MacEwan Community College means education for everyone. Since 1971, eight thousand people between the ages of 17 and 70 decided to come back to learning.

You can join them even if you don't have an Alberta High School Diploma, you can qualify as a mature student (18 years of age or over and out of school for at least one year). And, student loans are available.

Most diploma programs require only four fifteen work trimesters to complete. A recent survey shows that 90% of the College's first graduates have found employment in their areas of study.

Applications are now being accepted for the first trimester of the following programs. Call 425-8810 today for details and come back.

COMMUNICATION ARTS — offers three majors:
— JOURNALISM
— ADVERTISING & PUBLIC RELATIONS
— AUDIO VISUAL TECHNICIAN

PERFORMING ARTS — MUSIC has been expanded to include all instruments and voice in all areas of music: pop, rock, jazz, classical and stage band performance.

DESIGN ARTS — begins with a core program for the first two trimesters and leads to three specialized majors:
— DESIGN & ART
— ART IN MERCHANDISING
— INTERIOR DESIGN

GENERAL ARTS & SCIENCE — includes courses chosen from the English, Humanities, Social Sciences and Math Science Department as well as a limited number of career courses.

CANADIAN STUDIES — provides insight into the distinctive make-up of Western Canada with particular emphasis on Native Studies.

INSTRUCTIONAL ASSISTANTS — are trained to function as assistants to faculty members in post-secondary institutions.

SECRETARIAL SCIENCES — offers five programs for careers in these specialized areas: LEGAL, MEDICAL, EXECUTIVE, SCIENTIFIC/TECHNICAL (with an Accounting Major) and BILINGUAL SECRETARY.

LAW CLERKS — are prepared to work as para-legal personnel in law offices or related corporate departments under the authority of a legal practitioner.

FASHION RETAILING — encompasses areas of sales, merchandising, fashion co-ordination and display in related areas.

BUSINESS ADMINISTRATION — students specialize their studies for specialization in the fields of Accounting, Public Administration, INTERNATIONAL MARKETING, PERSONNEL and MARKETING SALES.

TRANSPORTATION CERTIFICATE — lasts only two trimesters and is designed for people seeking employment or training in this industry.

SELF-STUDY — enables adults to study in areas of their own interest or knowledge without attending classes.

COLLEGE PREPARATORY PROGRAM — will raise the level of education to that required for entry into diploma programs.

Mrs. Trilhart would like to thank everyone who were so generous in donating clothes for the patients at the lodge. The response was really great and they have sufficient clothing now for the winter.

A warm and hearty welcome to Mr. and Mrs. Denis Limoge (the postmaster) and family who have moved in Mrs. Piquette's house during the weekend.

A home, bake sale and bazaar will be held at the O'Meara Lodge on Saturday, December 8 from 2 - 5 p.m. and 7 - 9 p.m. There will be handicrafts, home baking with added attraction of a Tea Cup reader. Come and see what wonderful work the residents of the Lodge do in their craft room. Proceeds are to help with their craft program.

Seeing that there still isn't a Bingo, check your numbers for this week. If you have bingo in L shape BRING your bingo card to either Jeanne Maurier or Agnes Montpetit it has to be confirmed by Saturday evening.

Margo Montpetit left Thursday morning for Moncton New Brunswick where she will attend a session at Memramcook Institute for four days. She will be meeting with 40 other French speaking youth from Canada.

Rupert Kuehl sold his house to Mr. and Mrs. David George from Edmonton. Rupert, Donna and the boys have moved to Prince George where he is employed.

A warm welcome from our community to Mr. and Mrs. Rupert Hiddler and Mr. and Mrs. Dave George. Mr. and Mrs. Denis (Red) Pelletier, Mrs. Dave George.

Mr. and Mrs. Denis (Red) Pelletier have moved in their new home.

new home.

Congratulations to Gerry Auger and Jackie Deslaurier who were engaged recently. They are planning a summer wedding. Gerry is the son of Mr. and Mrs. Germain Auger while Jackie is the daughter of Mr. and Mrs. Remi Deslaurier.

Mr. and Mrs. Roger Ouellette travelled to Hundred Mile House to attend the wedding of their son Norman to Sharon Larson. Congratulations and best wishes to Norman and Sharon for a long and happy married life.

Get well wishes to Mrs. Pierre Brisson who is hospitalized.

Sincere condolences to the Bernard families and Mrs. Marie Gregoire and family upon the loss of Mrs. Edwidge Bernard who passed away on November 30 at 84 years of age. Funeral services were held in St. Emile's Church on Dec. 3.

A miscellaneous shower was held in honor of Rose-Marie Chauvet at the Recreation Centre on Nov. 25. The centre was beautifully decorated for the occasion. Rose-Marie thanked everyone for the lovely and useful gifts especially the hostesses Jocelyne Michaud, Lucienne Biledeau, Claire Maisonneuve and Jeanne Chauvet for organizing such a lovely afternoon in her honor. Rose-Marie will exchange marriage vows with Claude Michaud on Dec. 29 in St. Emile's Church.

Seniors Enjoy Party

By Lucienne Montpetit
Les Femmes Chretiennes social convener for the Chateau Sturgeon held their Christmas concert on Sunday afternoon at the Chateau. The concert included Christmas carols, skit, monologues and piano selections which were a delight for everyone and we hope that this created Christmas spirit among the citizens, for the coming festive season.

Two residents at the Chateau, Mrs. Lucia Montpetit and Mrs. Houle presented two numbers that were most

enjoyable. Mr. Leon Prefontaine and Mrs. Parent won a bottle of wine by picking out the right number in the draw.

It wouldn't have been a Christmas party without Santa's visit. To everyone's surprise the Jolly St. Nick showed up with a bag full of goodies. He had a gift for every senior citizen. Special thanks to Mrs. Leguerrier (the matron) and to the hostess singers for their support and to everyone who participated in making the afternoon a memorable one for our citizens.

Goldenagers plan Christmas party

Thirty-eight neighbors and friends gathered in the Gazebo, Nov. 28 for the regular meeting of Calahoo's Goldenage Club playing bingo

and cards and trying to keep warm since a wild wind and whirling snowstorm arose and the heater just wasn't putting out but even that didn't dampen their spirits. Rather than have supper catered to, chicken was purchased and the lunch committee supplied salads, buns and dessert assembling a tasty meal, much enjoyed by all present.

President Dina Groppe asked the secretary, Mrs. P. McLeod to read a beautiful poem entitled "When You Get 'On,'" depicting youth to old age. Realistic!

Members were reminded to bring a gift to the Christmas party December 12 for the games.

Visitors are always welcome.

BON ACCORD

By Sadie Allen

With the Sturgeon Regional Recreation Festival slated for the spring season, possibly early May, volunteers are required to work in each of the following categories: publicity and public relations, games committee, athletics committee, dance committee, arts and crafts committee, music committee and drama committee. Anyone interested in volunteering his/her services for any of the above may phone Pauline Mansfield 298-3625.

The Community Christmas Carol has been set up in the Park on Main Street and anyone wishing to send greetings to their friends and neighbors the community way, may do so by leaving a \$5 donation at the Village Superette with Keith Whitson and your name will go up on the board. All funds realized this way are used to promote community activities.

A Christmas hamper featuring a complete duck dinner being raffled by the First Bon Accord Club Pack. The boys will be selling tickets on Sunday, Dec. 9 from 2-5 with tickets going at 25 cents each or five for one dollar. The draw will be held at the Dec. 17 club meeting. Anyone who is missed and wishes to support the club by buying tickets can get them from John Engman at A. W. Pool #1 during office hours. A bottle drive is planned for January. The club would appreciate your support.

John Engman is the new clubmaster, having taken over from Tom Brown. With a record number of boys enrolled in the pack, we are particularly fortunate to have as helpers Janice McDonald, Gail Burnham, Mabel Veran, Hank Meyers and Ken Fearnley. John and Ken attended the regional meeting for Cubs and Scouts held at Fort Saskatchewan on Wednesday, Nov. 28. John was elected as vice-president of the Elk Island Regional Council.

With Christmas cards starting to arrive, everyone is urged to save the stamps for the guides and brownies. The girls collect stamps on

a year-round basis and sell them by the pound as a means to raise funds. If you do not wish to clip them just save the envelopes.

A few more ladies, single or married, are needed to form a ladies hockey team. Contact Gail Critchley at 298-2164 if you are interested.

Anglican Church women met at the home of Mrs. Hugh Cline on Tuesday, Nov. 27. Plans were made for a Christmas party for senior citizens and those nearing the age of 60. To be held in the Bon Accord Community Centre on Sunday, Dec. 16 at 2 p.m. Invitations are going out through the mail. However, if anyone was inadvertently missed, please contact 298-3642. Transportation will be arranged for any who need a ride. A program for the enjoyment of all has been arranged, please come. Seniors visiting with friends or family are invited too.

Leaders and members of the B.A. 4H Food Club wish to thank all those who supported their fund raising campaign by buying candy from the girls. The project was very successful, with only a small amount remaining on hand.

Organization of a Scout group is slated for early in the new year. Volunteering their services are Tom Brown, Gordie Gorrington and Bjork Flyder. For further information phone 298-3737 on weekends or evenings.

Cub investment was held on Monday, Nov. 26. Eighteen new cubs were welcomed into the pack.

Junior volleyball boys brought home the "runners up Cup" from Camilla on Saturday, losing out in the final game to Horse Hills.

Christmas crafts got underway on Wednesday, Dec. 5 with Pat Reichle instructing. The class is not full so anyone interested can turn out on Wednesdays to the B.A.C.C. at 8 p.m. For information re. materials needed, phone Pauline Mansfield at 298-3625.

Staples Construction are back at work on the Bon Accord Arena. Men are needed - apply at the arena site just north of the school.

The Gun Club meets on Thursdays at 7:30 p.m. in the basement.

Coaches for the Pee wee hockey club are Russell Parluk, Dick Bland and Norbert Quaghebeur.

The December calendar for Holy Trinity Anglican Church, Bon Accord - all services at 9 a.m., Dec. 9 Mattins - Reg Weston; Dec. 16 Holy Eucharist - Rev. McKnight; Dec. 23 Mattins - J. Hildeart; Dec. 30 Holy Eucharist - Rev. McKnight.

The bingo jackpot is now \$85 with 62 numbers to be called.

Horse Hill pioneer passes at 84

On November 20, 1973, Lionel Glendenning (Glen) Storie of R.R. 6 Edmonton, passed away at the Fort Saskatchewan General Hospital, two days after his 84th birthday.

Glen was born November 18, 1889 in the McNab township, Renfrew, Ontario. In 1904 the Storie family moved to Alberta and settled in the Horse Hill district.

Many will remember Glen for his untiring efforts with the many organizations pertaining to agriculture. He was a truly unselfish humanitarian.

He was a keen campaigner in the days of the United Farmers of Alberta government, an active worker in the United Farmers of Alberta, the North Edmonton Farmers Mutual telephone company, the Alberta Live-

stock Co-operative. The U.F.A. Co-op and the Edmonton Co-op store.

He has served as district returning officer for the M.D. of Sturgeon and the provincial and federal governments. He was director of sub-district #2 of region 5 F.I.A. for a number of years and later a member of Unifarm.

Funeral services were conducted by Reverend Harold Black from the Howard McBride Funeral Chapel, Nov. 23. Mrs. Marvonne Speer was soloist. Inter-

ment in the Evergreen Memorial Gardens. Pallbearers all nephews, were Earl Storie, Grant Storie, Donald Himmley, Douglas Bowman, Kenneth Bowman and Bill McCrimmon.

He is survived by one brother Jim of Edmonton, three sisters Mrs. Joe (Helen) Bowman, Edmonton; Mrs. Myrtle McCrimmon, R.R. 6 Edmonton; Mrs. George (Annie) Knight, R.R. 4 Edmonton and many nieces and nephews. He was predeceased by three brothers Scott, Vance and Robert.

Augers celebrate 26th Anniversary

On Friday, November 9, 1973, approximately 75 friends and relatives gathered at the Legal Recreation Centre to honor Mr. and Mrs. Germain Auger on the occasion of their 26th wedding anniversary.

Germain and Cecile (nee Demers) were married November 9, 1948 by Fr. Roland Berube in the old Parish Hall, due to the loss of the church through fire. Members of the bridal party were Rolande Himschoot (nee Demers) and Fernande Montpetit (nee Martineau), Real Auger and Luc Demers who were all present at the anniversary celebrations.

Germain and Cecile were both born and raised in the Legal area. Upon getting married they settled on a farm approximately seven miles N.E. of Legal where

they presently reside. They were blessed with nine children; five daughters, Mrs. Ernest (Rogelle) Pelletier, Mrs. Raymond (Doree) Brisson, Angeline, Constantine and Monique, and four sons; Gerald, Jocelyn, Claude and Laurier. They also have three grandchildren, Ronald and JoAnne Pelletier and Lynne Brisson.

Congratulatory telephone calls were received from Leo and Helene Bilsvert from Regina, Sask., and from Jack and Yvette Falk from San Jose, California. Out of town guests were from Clyde, Morinville, St. Albert, Edmonton, Calgary and St. Paul.

Mr. & Mrs. Auger
26 Years Ago

Edna and Herb Roushorne cut into their beautifully decorated wedding cake on their 50th wedding anniversary. Mrs. Freda Rutan, a sister-in-law is at left with Mrs. Clara Rutan, also a sister-in-law. Barely visible behind the flowers at right is Mr. Ben Rutan, the only living brother of Mrs. Roushorne, who was best man 50 years ago on November 28th.

Roushorns Golden Wedding

To mark the 50th wedding anniversary of Edna and Herb Roushorne on November 28, 1973, a delightful celebration was arranged at Horse Hill auditorium on August 12, when their families hosted some 350 guests.

Relatives and oldtime friends of the family joined in a noon luncheon. Receiving guests were - Edna's two nieces, Alice Modin and Marjorie Henderson and nephew Nelson Rulton. The guest book - gift of daughter Ethel was attended by two grand daughters, Loretta Burgos and Dianne Gordon. The blessing and best wishes for the day were read having been sent from an old friend and retired Pastor D. Eldrick and wife - "The Millars".

Congratulations were received from The Queen - Dominion and Provincial Governments, from Herb's relatives in Madoc, Ontario unable to attend. They have since been visited by cousin Henry Roushorne and daughter (Doree) - husband and son. Greetings were also received from Edna's relatives in Detroit, Michigan - from friends in Morinville - the bride's maid of 50 years - Mrs. Tiny Cochs (nee Tiny Maugham of Victoria, B.C.) and a letter from a home-steadier friend - Miss Eva Young.

Events of the day brought memories of Herb having come to Manville from Madoc, Ontario - 1910 and Ed-

na coming to Manville from Detroit, Michigan in 1923. And of going to their wedding with team and buggy. "No Snow - Nov. 1923."

They resided north of Manville in the Wealthy School District, later moving to Horse Hill District in 1937, where they maintained the school complex for some 10 years - until retiring to their home in Fort Saskatchewan.

Out of town guests -- brothers of Edna's, Ben Rutan of the original wedding party, his wife Freda; two nieces and husbands (Eleanor and Bernard Crawford and Helen and Ernie Roll); nephew and wife - Jack and Dot Rutan, all of Detroit Michigan, relatives and oldtimers from Manville, Vermilion, Vegreville, Calgary, Camrose, Stettler, Seba Beach, Wetaskiwin and Lamont.

They were presented with an ornamental buggy with two heavy laden mail bags, this being a reminder of Herb having delivered mail on two rural routes north of Manville. The presentation was made in the way of a most appropriate poem composed by their old friend Lorna Blackburn - which rightfully summed up the events of their 50 years of wedlock.

Open House continued throughout the afternoon. Horse Hill and district joined in best wishes. Another money presentation was made by Mrs. Ruth Donard. She expressed best wishes and God's blessings - spoke of the continued friendship

that had grown when they resided at their place where Herb's late brother Jim worked for the Danaris.

The afternoon was spent with old and young meeting, greeting and reminiscing.

This day will forever be most memorable for Edna and Herb - as a constant reminder they are entertained by a lovely colored TV purchased from the money presentations. They are also enjoying the many individual gifts and messages of congratulations.

To have had such a celebration - was only made possible by all those who helped. The families say thank you for your part in our mother and father's 50th anniversary. Today We Pray for their Health and Happiness for years to follow.

Tree sale

St. Bernard Dog Club are holding a Christmas Tree sale in Namao at the Gessen property on Saturday and Sunday, in support of the Muscular Dystrophy Society, with the co-operation of the Namao Air Base firemen. Firemen across Canada support this worthy cause as well. A very special attraction at this Christmas Tree sale is the attendance of the St. Bernard dogs, who will pull children on sleighs, and Santa is also expected to drop in for a visit. Last year the event netted \$550 for research into this dread disease.

MORINVILLE MEMOS

By Flo McGinnis

Word comes from the Morinville Sports Association that there is a dire need for volunteer help in the Arena Kitchen. Mrs. Mary Hittinger is in charge, and she says that there is definitely an urgent requirement for help on Saturdays and Sundays. The weekdays are fairly well covered, but since there are always hockey games that draw large crowds on the weekend there never seems to be enough help. The only way that this operation can continue properly is to rely on volunteer help, so PLEASE, if you can offer a couple of hours of assistance, call Mary at 256-3473.

On November 23 a large crowd enjoyed an evening of cards and bingo at the Rendezvous Clubhouse. Winners were Ladies' 1st prize Mrs. Jeanne Hule, Booby Mrs. Juliette Bekenholz, Men's 1st Prize - Mr. Ephrem Beaupre, and the Men's Booby Prize - Mr. Hector Bissonnault. The door prize went to Theresa Kleser. All senior citizens are invited to the Christmas Party at 8 p.m. on December 7, at the Clubhouse.

Plans have been finalized for the two New Year's Eve Frolics that will be held in Morinville this year. The Parish Council will be sponsoring a dance and midnight supper in the Recreation Centre from 9 p.m. - 1 a.m. with music by the Binkman Brothers. The Royal Canadian Legion Branch #176 will

be holding a similar dance and supper at the Legion Hall with music by Puff's Ambassadors, featuring a vocalist. Tickets for both these celebrations are limited so get yours early.

The power skating program which is underway in Morinville seems to be going over very well. There are some 52 youngsters registered, taking instructions from Mr. Dan O'Reilly, of Edmonton, who is an education student at the U of A. Instruction is given on Saturday mornings and there are two practices each week Mondays from 7 - 8 p.m. and Fridays from 5 - 6 p.m. Under the auspices of the figure skating club, this is a new program for Morinville.

The Morinville juvenile hockey team is warming up to their task, which did not seem to be a very easy one at the beginning. This is Morinville's first juvenile hockey team for H.W. LONG? After losing their first game to St. Albert with a score of 12-2, they went on to tie with Westlock at 3-3. Then on Tuesday, Nov. 27 they downed St. Plain 5-4. Under coach Maurice Ropel, and manager Cam Dubord, the team is playing in the Northern Alberta Hockey League and they say they intend to be in the playoffs 'for sure'.

Sunday, December 16 is the date set for the United Church Children's Christmas party. Beginning at 2 p.m. the parents and children

will gather in the meeting rooms at the Rec. Centre for an 'old fashioned' Christmas party complete with a Santa Claus and little gifts.

The CN Express Office has moved locations just recently. It is now located in the M & M Chalfoux Store just across from the Post Office.

On a personal note, please remember that McGinnis Realty Limited have moved their offices to the new location. So if you have some news items or advertising for the Gazette, just go to two blocks farther east on Grandin, Drop in for a chat and a cup of coffee. Phones remain unchanged.

Simone Chevalier sends in a report from the Morinville Senior hockey team that the team is now undefeated in their first three games! With their win of 4-2 over Naimo on Nov. 30 they feel that they're "going strong." Under Captain - O'Neill Chevalier, and assistant captain Rene Chevalier, the team is comprised of: Guy Chalfoux, Dave Quintal, George St. Laurent, Rick Wright, Ed Marchand, Rick Pople, Ken Liss, Doug Hill, Norm Bohl, Fred Hesse, Dwayne Fossen, Rod Arthur, Dennis Leduc, Marcel Tourangeau. Equipment manager is Dave Rockwell, while the team manager is Paul Knauskopf, coach is Sid Pifko and assistant is Roger Tourangeau.

On Thursday, Dec. 13 there will be an Open House upstairs at the Recreation Centre where all the crafts from the Multicraft Program which Mrs. Joyce Granger has been instructing, will be on display. Joyce and her 15 students send out an open invitation to everyone to drop around between 9 and 10 p.m. and see their handiwork. Coffee will be served so remember that date - Dec. 13 from 9 - 10 p.m. See you there!

"HARRY RUSK SHOW"

MR. & MRS. PIETER SCHEFFER

By Flo McGinnis

St. John Baptist Church in Morinville was the scene of a pretty wedding ceremony on October 6, when Cathy Laviole daughter of Mr. and Mrs. Roger Laviole of R.R. #4 Edmonton became the bride of Pieter Scheffer son of Mr. and Mrs. Case Scheffer of Kimberley, B.C. Rev. Father Primeau officiated at the double ring ceremony, while Carmen Boissonault was organist.

The bride and groom entered on the arms of their parents and the bride was radiant in her elegant long gown of polyester sheer over satin, featuring long sleeves with ruffle at the wrist to match the ruffle on the V-neckline. Scattered white morning glories adorned the slightly gathered skirt while the brides full length veil was held in place by a crown of tiny white roses and lily of the valley. The bridal bouquets were of red roses and stephanotis and the bride's only jewellery was a gold cross and chain with matching earrings.

Bridal attendants Brenda Sperling, Lynn Laviole and Robin McConnell (flower girl) wore identical gowns of coral polyester trimmed with white lace. They wore coral polyester flowers in their hair and carried bouquets of tiny coral roses and carnations.

The groomsmen were Andy Scheffer the groom's twin brother and Danny Laviole with Lawrence Laviole acting as ringbearer. Ushering the guests were Arnold Scheffer, Ronald Laviole and Denis Laviole.

For her daughter's wedding, Mrs. Laviole chose a floor length gown of polyester sheer over tulle with an off-white corsage. The mother of the groom wore a long gown of lime green pleated polyester sheer

complimented by an off-white corsage.

Following the ceremony a banquet and reception were held in the Morinville Recreation Centre where George Madge acted as master of ceremonies. The bridal table was centered with a wedding cake beautifully decorated in white and coral, by the groom's mother. Andy Scheffer proposed the toast to the bride, while the groom toasted the bridesmaids. The Kundy Kanes supplied music for the dance which followed.

Besides her great grandmother Mrs. Anderson, her grandmother Mrs. Florence McConnell, and parental grandparents Mr. and Mrs. Charles Laviole, the bride had numerous great aunts and uncles present.

Out of town guests were from Devon, Vilna, McLennan, Lethbridge, Coronation, Byrnie Lake, Chetwin and Kimberly in B.C., and Glaslyn, Saskatchewan. The bride and groom are making their home in Edmonton.

Morinville Board of Trade Elects New Officers

By Flo McGinnis

At the December 3 meeting of the Morinville Board of Trade a new slate of officers was elected for the coming year.

President for 1974 is Ray Gibeau, one of the partners of the Frontiersman Hotel. Vice-president is Gerry Schindler, from the local Calgary Power office, and secretary-treasurer is Don Derby of the Royal Bank (for his third term). Three new directors, Eva Quinn, Roy Manasterki and Alphonse Nobert were elected for their first term, while Cliff McGinnis was elected for his second term.

The outgoing president, Romeo Bissonnault will remain as ex-officio, and in his remarks to the group he stated that he will try and be of as much assistance as possible, and will continue to be active in promoting the community.

Thanking the retiring members of the executive, Toni Foud, Frank Sale, and Maurice Perras, Romeo expressed the hope that they will continue to play an active role in the Morinville Board of Trade.

Special guest speaker for the evening was Walter Van De Walle, Reeve for the MD of Sturgeon. Walter's topic, "A Rapested Plan" sparked considerable discussion among the members on the many implications of such a project, and a special committee was set up to investigate further.

Schmermunds celebrate Silver Wedding

By Liz McLeod

On November 25, 1948, Alice Bergstrelser, (Carl and Adolina's daughter) and Roy Schmermund were joined in Holy bonds of matrimony at Emmaus Lutheran Church, Calahoo. Twenty-five years later, still living at the same place in Green Willow district, they celebrated their silver wedding anniversary.

Their children, Don and his wife Lois, and Marlene

"I take it sir, that you enjoyed your dinner?"

arranged this gala event, with the help of Alice's parents, brother Henry and sister Joyce Bergstrelser and sister Vera and husband Carl Schmermund.

Onoway's Centennial Hall was booked and with good music and ample refreshments, dancing was enjoyed by the huge crowd present.

Fitting music welcomed the wedding party as they entered the hall.

Alice looked young and beautiful in her pink flowered gown, beside Roy, dashing in his suit. They were followed by Mr. and Mrs. Harry Steger from Clyde, and filling in for Alice's original bridesmaid, Erna Bergstrelser. Next were Karl and Vera Schmermund (sister to bride) from Edmonton and on arrival at the front of the stage, the bride party led off a dance joined by their original matron of honor Clara and John Schmermund (groom's brother and wife) and then

the bride's parents Mr. and Mrs. Carl Bergstrelser.

A beautifully decorated 3-tier wedding cake by Mrs. Vance Berry of Calahoo WI graced the head table, flanked by candles.

A buffet supper was enjoyed by nearly 200 guests. Seated at the head table were, Harry Steger, his wife Clara Schmermund, Alice, Roy, Vera, Karl, Adolina and Carl Bergstrelser. Harry Steger was jovial master of ceremonies.

Councillor Mr. Glen Berry was asked to say a few words, which delighted the crowd, as did Mr. John Krupa with his words of wisdom.

Roy paid tribute to a very dear auntie, Mrs. M. Emma Strube from Deerwater, Saskatchewan who came all that way to attend this happy occasion.

Mrs. Vic Albrecht, president of Calahoo WI presented Alice with a gift of stainless flatware on behalf of her fellow members.

Damage to crops by snowmobiles

By Wally Klatt
District Agriculturist

Swathed grain, covered by snow is susceptible to snowmobile damage. Some of these fields are beginning to reveal the characteristic criss-cross marks of snowmobiles.

It seems that those persons operating the snowmobiles are not aware of the damages being done to the swaths or else they don't care.

"Snowmobiles" do not have any right to be in a farmer's field unless they

have the farmer's permission.

It would be appreciated if people reading this article convey the following:

(a) Inform those persons who own snowmobiles to stay out of fields that contain swathed grain.

(b) "Snowmobiles" should have a farmer's permission to ride in his fields. If everyone co-operates in this matter whereby swathed fields will not be damaged, then problems should not occur.

Food for thought

By Pat Prymak

District Home Economist

At one time, man ate to live. Today, he lives to eat, and oh! how discriminatory he is in what he eats, when he eats, and where he eats. For, you see, food is not necessarily recognized as the fundamental source of nutrients. It is history.

Wars have been fought for food; people have been known to steal, rob, and kill for it; explorers have searched the world for new foods; scientists

have been built on it; medals, prizes, and monetary rewards are given for food-related discoveries; and fortunes have been made and lost in food-stuffs. No wonder, that today, so many emotions are attached to food.

One may eat or overeat, as a relief from tension, loneliness, boredom, anger and/or frustration. Specific foods may recall unhappy childhood experiences; or be thought of as masculine foods (e.g. meat) or feminine foods (e.g. salads) or children's foods (e.g. milk).

Some see food as a source of "something for nothing" as they collect trading stamps, or find some "gift" in a food package, or collect enough box tops, or wrappers to send away for some special item.

Food, for others, is power - a form of reward or punishment. In prison, an inmate may be put on bread and water. A child may be sent to bed without his supper or dessert, or some well-liked food refused to him because of some behaviour problem. On the other hand, mother may bake

a special treat as a reward.

Steaks are among the more expensive items of food, and so they give status to the person who serves them. White flour when first produced, was expensive, but one could bake cakes and fine food with it, so it became a prestigious food item, and in lesser degree, we serve certain foods for family meals, even for different days of the week, and different foods when we have guests.

The cup of coffee is a symbol of friendship; the box of candy affection. We welcome a new neighbor to the group by taking her some food we baked ourselves. In time of disaster or sorrow, we take food to neighbors.

Food is the sum of an individual's culture and traditions, an emotional outlet, gratification, of pleasure, and relief from stress, a means of communication, security, status, personal

experience -- all of these interwoven in the fabric of life, and unconsciously expressed in food likes and dislikes.

Why do you eat? Will someone someday say of you as Shakespeare did: "Upon what meat doth this our Caesar feed that he is grown so great?"

Re-issued from W. O. Klatt's office.

Treating a new well with chlorine immediately after it has been drilled will help prevent it becoming contaminated with iron bacteria.

Wes Glenn, agricultural engineer with the Alberta Department of Agriculture, explains that new wells, and wells which have been repaired, may become contaminated by iron bacteria, introduced by the drilling tools. Once in the well, they can grow and spread throughout the entire water system. Here they clog both metal and plastic pipes with slime and eat into water pumps and pressure tanks.

The water leaves a red slimy deposit when left standing in places like the toilet tank. It may also develop an unpleasant odor and taste.

Any chlorine carrier such as calcium hypochlorite or chlorine laundry bleach can be used to disinfect the well and water system. Mix six gallons of bleach with about 200 gallons of water and pour the solution into the well. Open all the water faucets in the house and let the water run until it has a strong chlorine odor. Release the air from the pres-

Emergency Program

By Wally Klatt, D.A.

Interest-free loans for the first year are available from the provincial government to assist farmers who have crops under the snow or were harvested tough or damp. The total cultivated acres are eligible at 15 dollars per acre to a maximum of seventy-five hundred dollars.

Crop Insurance is not re-

quired.

This is a loan and not an advance, therefore it is not income.

The deadline is January 1st, 1974.

Contact the D.A. office for application forms.

The completed application form is to be returned to the D.A.'s office along with the applicable permit books.

WHERE FRIENDS ALL MEET

By Liz McLeod

Calahoo and district seems to have been caught up in tragedy lately. Our deepest sympathy goes out to Mrs. Dolly Majew and family of Calahoo on the death of her husband Wilfred, November 27. He had been in ill health for a time, and was moved from Stony Plain Hospital to the Royal Alexandra Hospital on 27.

The district's deepest sympathy goes also to the Kris Dalheim family and to Mary on the loss of her father.

Calahoo WI holds annual meeting

By Liz McLeod

The 146 meeting of Calahoo Women's Institute was held in Mrs. Vance Berry's home with 15 members and Clara Loyer present on Nov. 27.

Daphne Kerr had gone into the city to see her parents, Mr. and Mrs. R. W. Akerman for a few days, so was absent.

President Mrs. V. Albrecht opened the meeting with "The Creed," and the hostess read a poem entitled "The Salt of the Earth." Minutes and treasurer's report followed.

Mrs. J. Shenfield was asked to explain who makes the sprays and wreaths that are laid on Remembrance Day and what becomes of them afterwards. The disabled veterans make them and receive the money paid for the wreaths and they hit the incinerator after the Remembrance Day services are over.

The outcome of the handicraft workshop held in Onoway the middle of November will ask that the judges arrange to stay after the judge-

Mr. John Cram of Edmonton on November 22. Had he lived he would have been 97 on Nov. 28. Interment was in Westlawn Cemetery with The Reverend Steele conducting the service.

Howard and McBride Funeral Directors were in charge of arrangements for Mr. Don A. R. Douglas and the Rev. J. A. Rushton conducted the service in St. John's Anglican Church, Onoway with interment in the Church cemetery. Sympathy goes out to his loving wife

ing, so as the entrants will get a better idea of what is called for by asking the DHE's questions.

Since in November this group have their annual meeting and there weren't too many changes to be made the co-operation was welcomed and the executive remained the same except for treasurer - Mrs. R. Schermund retiring and Mrs. K. Dalheim accepting the position. Alice has been the very capable treasurer for eight on to 12 years. Two new directors, Mrs. F. Brown and Mrs. J. Thatcher will join Mrs. J. Carthy and the rest of the executive at the director's meeting on December 10.

The convenors shape up this way - Citizenship, Mrs. Mary Dalheim; Cultural Activities, Stephanie Shenfield; Canadian Industries, Mrs. J. Dalheim and Daphne Kerr Handicraft, Mrs. Vic Albrecht; Health - Mrs. Fred Brown; Tour - Mrs. F. Lischewski with help from Mrs. P. McLeod; Flowers-visiting and cards - Mrs. C. Bergstrelser and Mrs. Cecile Breier.

The members were reminded to bring three small gifts to be used for the games at the Christmas party slated for December 19 at Liz McLeod's home. Instead of buying gifts for our husbands this year.

Our president presented a beautiful house plant (Cyclamen) to new member, Mrs. Margaret Douglas, following her recent loss of her husband, Don on Nov. 16.

The hostess was asked to surprise the club and name the roll call. This Cecile did by bringing out her tape measure and measuring our waistlines, thereby paying a penny an inch and would you believe this netted \$5.09!

The door prize which was sent by Mrs. M. Kerr was won by Mrs. P. McLeod (first time in years).

Margaret and family in this hour.

It was a severe blow for everyone including Brian and Denise Brennels to learn of Brian's uncle, Mr. Emile DeRudder's untimely death November 22. The sympathy of the district goes out to the immediate families and all the relatives.

There's certainly a lot of colds, flu and the like around these days so hope all those who were smitten are on the mend now.

So sorry to hear of these folks being in and in hospital.

Mr. and Mrs. Labore's son-in-law, Mr. Leonard Keller from Fort McMurray underwent surgery in an Edmonton hospital and we hope you'll be well soon.

So pleased to hear Mr. Jim Williams from Onoway who underwent surgery in the Misericordia Hospital is coming around gamely. His wife Elsie was a valuable W.I. member till she moved to Onoway.

Get well wishes go out to Mrs. Mary (Valerie) Calahoo who is in Sturgeon General Hospital. Your Goldenage Club and all your friends are pulling for you Mary.

Do hope Henry Kramps, Henry Kaup, Hubert and daughter Vicki Quintal will soon be back in the pink of health. Everyone is so pleased to know Mrs. F. Betty Kaup is back home and doing so well now.

REPORT FROM GIBBONS

By Ron Coley

Two candidates were nominated for the office of Councillor for the Village of Gibbons on Nomination Day, Election Day to elect one of these men as a Councillor for the remainder of the present term will take place in the Council Room of the Village office on Friday, December 14 from 10 a.m. to 8 p.m. Names submitted were Ernest Crockett and Ronald Coley. Enumeration has now been completed so watch for voters lists in the Post Office and in the Village Office.

Mr. and Mrs. Steve Lamoureux have just returned from a two week holiday in Montreal, where they visited their daughter Denis and family. They say the weather was a little warmer, but there was quite a bit of rain.

Winners of Young Canada Book Essay contest for their essays in "How They Would Like Their Library to Look" were: Grade 4-Karen Shaw, Grade 5-Annette Bibaud, Grade 6-Leslie Thomas.

Winners in the Bookmark

contest for Grades 1, 2 and 3 were: Grade 1-Lee Blackmore; Grade 2-Terry Doerkson, Grade 3-Terry Lynn Froshunt.

The library board would like to thank all the children who took part in these contests and it took quite awhile to choose the winners.

The Gibbons Library will be closed December 24, 25, 26 and 31, and will reopen January 2.

Congratulations to Bob and Isabel, proud parents of a baby boy, Robert Don, weighing 8 lbs. 12 ozs.

Get well wishes are sent

to Carol Lemour in the Misericordia Hospital. Jack Hogg is home from hospital convalescing at home.

The Legion Bingo on Nov. 29 had a very good turnout. The jackpot of \$50 was not won.

Residents of Gibbons and area don't forget the annual meeting of the Sturgeon River Agricultural Society will be held Friday, December 7 at 8 p.m. in the Gibbons Community Hall. Memberships will be available before the meeting commences. This is the first annual meeting for the arena.

NAMAO NEWS

By Norma Crozier

Namoa UCW invite all ladies of the district to their Christmas party which will be held in the Community Hall on Wednesday, Dec. 12 at 7:45 p.m.

Namoa UCW ladies travelled to Rivercrest Lodge at Fort Saskatchewan on Nov. 28 to host the November

birthday party for residents of the Lodge. Fifty girls from Shelley's School of Dancing provided a delightful program of dancing and singing to Christmas music. Following the program and the singing of happy birthday to all residents having a November birthday, everyone enjoyed birthday cake and refreshments.

The Namoa Sunday School will have a White Gift Service as part of the morning service on December 16. Gifts of food or money are acceptable and will go to Bissel Centre again this year. The need is great.

Mr. and Mrs. Jack McLaughlin have returned home from holidaying with daughter Audrey, in Penticon and son Bob in Calgary.

attend.

Special guests were Mr. and Mrs. Muriel Moore Sr., Mr. and Mrs. Art Skinner, and Capt. and Mrs. Bob Tomtchuck, all of Edmonton. The couples best man, Mr. Jack Moore (nephew of the groom) and bridesmaid Mrs. Jack Johnson (sister of the bride) were also in attendance. Mr. and Mrs. Ches. E. O'Neil, parents of the bride were unable to attend because of illness.

After a midnight supper the master of ceremonies, Mr. David Jones (brother-in-law of the bride) presented Les and Isabel, a guest book, two silver trays, a purse of money, plus a huge bouquet of red roses. A picnic bench, made by Eugene Kreps and Donna Noel, was also presented.

Leslie, Donna, and Gary Moore would like to thank all the many people who prepared and kept the surprise party a secret from their parents.

Les and Isabel would like to thank all the many friends and relatives for celebrating this lovely occasion with them.

Pythian Sisters Gleanings

By Clara Williams

New from the reporter on Pythian Sisters functions is long past due. The year of 1973 is slowly edging its way out of existence and new officers soon will be elected for the incoming year. Officers and members from Dist. No. 2 who attended Grand Sessions held in Calgary were Gertrude Johnson, Royal Alex, R.N. who is Grand Secretary, Martha Bell Gr. Jr., Muriel McCue P.S.R., Mabel McCue P.G.C., Hazel McLean P.G.C., Arthur McCue P.G.C. Jessie Miller D.D.G.C., Grace McLean Jubilee delegate, Sharon Dunswoth, Clara Williams, Grace L'Hirondelle, Dora Wilson, Ruby Homer and Alice Carnegie. There was a very good attendance from all Temples throughout the Prairie provinces chaired by Grand Chief Lois McGregor of Alpha Temple No. 12 Kenton, Manitoba. Upon arrival that afternoon time was allotted to registration and checking into the hotel. A afternoon tea was served, which gave us a chance to renew old friendships. That evening a Memorial Service was held for those Pythian Members that had passed away the past year: P.C. Margaret Solomon of Victory Temple No. 1 Calgary, Alta. Sis. Bro. John Lincoln, Calantha Temple Moose Jaw, Sask., and P.C. Alice Hodgson Regina Temple No. 5 Regina, Sask.

One of the highlights of the meetings in the Highlander Hotel was the attendance of the Supreme Chief from the U.S.A. Laura Vande Waa, a most charming and capable lady for her position as Supreme Chief of the U.S.

and Canada, she wonderfully filled the vacant chair of Past Supreme Chief Nellie E. Douglas of Medicine Hat who had for so many years been a most valuable member of the Supreme Executive, and filled various offices, after her term of Supreme Chief had expired, at the time of her death, she still functioned on the Law Committee.

Another Ex-Supreme member who attended was Adele Livjord of Anoka, Minn. After the Grand Sessions Laura Vande Waa flew to B.C. to attend Grand Sessions held there. Supreme Chief Vande Waa was here to introduce her program to the members and to urge their support. As she stated we are a fraternal Order, an auxiliary to the Knight of Pythius and so are expected to help someone else. "I have chosen as my program to work with the retarded children. I've put a great deal of thought and prayer into my decision and feel there is so much that can be done in this field." The order has spent many years supporting the Cancer and T.B. research program, and will still donate to their cause. "Each Supreme Chief has the privilege of starting a new program and I hope if we make progress this one will continue for years to come." She stated that 85-90 per cent of retarded children may be totally or partially self supporting with educating and training. She also intends to organize new Temples along the East Coast of the U.S. She joined the Pythian Sisters as a teen-ager and has been with them for 41 years. It is a very old organization as the Knights of Pythius received its Charter in 1864, which was signed by Pres. Abraham Lincoln, while the Sisters were recognized in 1888.

Officers for 1973, which enlightened Dist. 2 Gibbons is a part of, appointed Gertrude Johnson as Grand Secretary, with Martha Bell Gr. St. Sharon Dunswoth as D.D.G.C., with Bea Sel-

by of Regina, Sask. as Grand Chief of the Prairie Provinces. All printing is done by the Edmonton Rehabilitation Society. Grace McLean representative from Gibbons Temple received the Bicorn Shield for the highest average attendance for her Temple, which we were happy to accept again. This is our third year in succession, and the shield will hang in the Community Hall where our meetings are held.

Many gifts were tendered the Supreme Chief from the Prairie Province Temples as a reminder of her first visit to Canada as it is a very rare occasion when a Supreme Chief visits here and her gracious presence will linger long with us all, as we wish for her an abundant success during her reign as Supreme Chief.

Our New Grand Chief for 1973 of the Prairie Provinces, Bea Selby of Regina, Sask. made her first official visit of the Prairie Provinces Pythian Sisters Temple to the Gibbons No. 16 Temple. Usually we are one of the last to be visited, this year we were first and completely surprised. Our meeting night is Wednesday and her date was Monday night. We appreciated the kindness of the Lions Club and their chairman Mr. E. Toose for exchanging nights with us. But all turned out well and a very enjoyable evening was held for her and other members from Dist. 2 who arrived to be with us for the evening.

Moore's celebrate Silver Wedding

By Ron Coley

On November 17 the Gibbons Community Hall was the scene of a surprise 25th wedding anniversary dance for Mr. and Mrs. Les Moore. All of their six children were present, Leslie of Edmonton, Gary, Bruce, Susan and Crystal, all at home, except for Ellen, of Vancouver, who was unable to

Alcomdale 4-H News

By Margaret Meusink

On November 14 the Alcomdale 4H Clothing Club held a business meeting at the home of Mrs. Busenik. The meeting was called to order with Margaret Meusink leading the members, with the 4H pledge, Roll call was taken.

On Dec. 15 at 1:30 p.m. at the home of Mrs. Siecka we decided to have a Christmas party with each member bringing a hot dish and a gift to be exchanged.

Helen adjourned the meeting. The frosh of the two members followed with a delicious lunch.

Regional Rec Council gets \$66,000 grant

The Sturgeon Regional Recreation Council has been successful in receiving Local Initiatives Program funding for their community and municipal action program.

A federal grant, the Local Initiatives Program provides funds in order to create jobs for the unemployed. The amount granted to the Regional Council is \$66,240, of which \$55,200 will go towards labor costs incurred in the project operation. Work to be undertaken will be maintenance and renovations to recreation facilities, painting and redecorating in school classrooms, and assisting in the building of new facilities.

The Regional Council through the auspices of this grant, will be hiring a secretary, cultural development officer, and a special events co-ordinator. These people will work through the winter and their efforts will culminate in the 1974 area recreation festival that is proposed for the month of May. People who are seeking a job and would like to work for Legal, Morinville, Gibbons, B'n Accord or any hamlet within the MD of Sturgeon, please contact your community recreation association or phone Laurent Coulombe at 424-6276 or 256-3323.
